

## Acknowledgement

I wish to record my deepest sense of gratitude to my supervising teacher and guide Dr.M .Sarnghadharan,Professor and Head of the Department of Commerce, University of Kerala, who put in immense effort at every stage of my research work and inspired me with the warmth of his personal affection. Without his scholarly guidance and direction, this thesis would not have seen the light of day.

I am grateful to Rt .Rev.Thomas Samuel,Bishop in the Madhya Kerala Diocese of the Church of South India and the Manager of the CMS College,Kottayam for providing me with the opportunity to work on the Ph.D, programme under the Faculty Improvement Programme of the University Grants Commission. I express my thanks to the University Grants Commission for the fellowship granted to me and to the Research and Post -Graduate Department of Commerce, St.Thomas College, Pala for providing me with the facilities to carry out my research work.

I should be failing in my duty if I do not express my heartfelt thanks to Prof.C.A. Abraham and to Prof.Korulla Issac,former and present Principals of the CMS College for their constant encouragement and motivation.

My colleagues Dr.Tomy Mathew, Prof.C.O.Phillip,Prof.Susan John and Prof.Merry George have helped me at various stages of my work and I am grateful to them for their unstinted support. All the members of the staff of the Department of Commerce and of the Collins Library of the CMS College have rendered a great deal of service to me and I thank each one of them. I acknowledge my sincere thanks to the following institutions for permitting me to avail of the facilities offered by their libraries:

Indian Institute of Management ,Bangalore .  
South Indian Textile Research Association ,Coimbatore .  
Avinashilingham Deemed University ,Coimbatore.  
School of Management Studies, CUSAT, Kochi.  
Department of Commerce, University of Kerala, Thiruvananthapuram.  
Centre for Development Studies, Thiruvananthapuram.  
St.Berchman's College,Changanacherry.

Among all my benefactors there is one name that stands out by virtue of all that he has done for me in carrying out all the analytical work involved in this study -Mr. Easo kurian,former Project Manager in Enron Project, my good friend and wellwisher to whom I am deeply indebted. I am thankful to Mr. R.G.Unni, former Deputy Director of Statistics, Rubber Board, Kottayam,for his advice in devising statistical methods. Prof.K.V. Moothathu formerly of the University College, who edited this work is yet another to whom I express my sincere thanks.

My young friends, Mr.Manu.K.N, Mr.Sabu Varghese, Mr.Abeesh Issac and Miss.Sherin Mary Kurian deserve my thanks for assisting me in conducting the survey and processing the data. M/S. Kalloor Graphics also deserve my thanks for executing the printing work with precision.

My heart fills with gratitude and love for my beloved parents Mr.A.G.Thomas and Mrs. Elizabeth Thomas who made me what I now am having lighted the spark of knowledge in my very being. Though long now with the Lord, I feel their presence with me in every venture I undertake and I dedicate this thesis to their memory.

My wife Leny Jacob and my son Shobith Thomas Jacob have been with me every step of the long way and this thesis is as much theirs as it is mine.

Words are not sufficient to record the countless blessings that have been showered upon me by the Lord Almighty. His Rod and His Staff have always led and protected me and I raise my heart in gratitude to Him.

Jacob Thomas
