Acknowledgement

All praise to Almighty ALLAH, the creator, the sustainer of the world. He created Man and “Taught him that which he knew not” (Al-Quran). We praise Him for His blessings and I bow down to Him, the most gracious and most merciful, from the depth of my heart. It is He Who endowed me ability and knowledge by which I could make it true the wishes of my grandparents and parents.

I am unable to express my deep sense of gratitude, in words, to Dr. (Mrs.) Nigar Zuberi, Associate Professor in Political Science Department, Aligarh Muslim University, Aligarh under whose expertise guidance, valuable counseling and helpful attitude, I could complete my research work. It’s her sincere cooperation and sympathetic attitude that facilitated the accomplishment of this work.

I am also thankful to Prof. A.R. Vijapur, Chairman, Department of Political Science, all my teachers and staff of the Department for their encouragement and providing necessary facilities to carry out research work, with gratitude.

I am deeply indebted to the help and cooperation of the Librarians and Staff of Maulana Azad Library for providing books and materials for this work.

I am thankful to Allah from my core of the heart to bless me with best parents, uncle, aunty, sisters and brothers whose love and sustained efforts enabled me to acquire knowledge, the light.

I also express my gratitude to my friends, seniors, juniors and colleagues for their support, they have always provided me.
