ACKNOWLEDGEMENTS

I would like to express my gratitude to the almighty and our family deity Lord Venkateswara.

It is my profound duty to thank all the people who helped me to complete this work.

Mere words cannot express my deep sense of gratitude to my Research Supervisor Prof. E. KESHAVA REDDY, HOD, Department of Mathematics, JNTU College of Engineering, Ananthapuramu. His constant guidance and valuable advice were essential for the progress of my research work culminating in this thesis. I feel deeply indebted to him for his useful suggestions and comments at all stages of this work. I owe to him whatever knowledge I have gained in this area.

I thank Prof. K. Lal Kishore, Vice-Chancellor of Jawaharlal Nehru Technological University, Anantapur, Dr. K. Jayalakshmi, Assistant Professor of Mathematics, Dr. R. Bhuvana Vijaya, Associate Professor and Dr. A. SAILA KUMARI, Assistant Professor, Dept. of Mathematics, JNTUACEA.

I thank Prof. S. V. SATYANARAYANA, Director, Research and Development, J.N.T.U.A., Ananthapuramu, for his encouragement and suggestions.
I would like to thank sincerely Dr. L. Hari Krishna, Department of Mathematics, AITS, Rajampet for his encouragement and cooperation in completion of my research work.

I am very thankful to K. Chiranjeevi Reddy, Chairman, K. Arun Kumar Reddy, Director, S. Rafia Anjum, HOD of H&S, Chiranjeevi Reddy Institute of Engineering & Technology, Rachana Palli, Ananthapuramu.

I thank my parents L. Ramachandra Rao, L. Lakshmi Devi, S. Venkata Rao and S. Vijaya Lakshmi for all their support.

My husband S. Sudheer, my brother L. Venkat and my daughter S. Sreevalli and all my sister-in-laws without their encouragement and support nothing would have been possible for me to take up this research work.

I thank everyone those directly or indirectly helped me to complete my research work successfully.

L. Sreekala
