ACKNOWLEDGEMENT

Hereby, the investigator takes great pleasure in expressing hearty gratitude to her guide Dr. A. Ponnambala Thiagarajan, M.Sc., M.Ed., Ph.D., Principal, Dr. Sivanthi Aditanar College of Education, Tiruchendur for the valuable guidance, sagely advice and generosity of assistance rendered in hammering away at this study.

The investigator extends her overwhelming gratitude to the Principal, Dr. S. Packiam, M.A., M.Ed., D.G.T., Ph.D., and the management of V.O.C. College of Education, Tuticorin for providing a profound opportunity and the required facilities to work in this esteemed institution. The tenacious support of all the members of the faculty is also appreciated.

The investigator owes much to the heads, staff and students of all the sampled higher secondary schools for their generous spirit of co-operation.

Also, the investigator thanks all her friends and family members who psyche-up her for this study.

Last but not the least, the quick and prompt services of the Ves Computer Data Processing Centre, Tuticorin is thought of and thanked.

(J.U.C)
