ACKNOWLEDGEMENT

I extend my wholehearted praise and thanks to THE ALMIGHTY GOD, for having blessed me with health, confidence and ability to undertake and complete the project work successfully.

I would like to record a deep sense of gratitude to my guide DR. G. IMMANUEL, Lecturer, Centre for Marine Science and Technology, Manonmaniam Sundaranar University, Rajakkamangalam for his excellent guidance, expert suggestions, constant encouragement and all other considerations. In fact, he spared much of his time, till the completion of the work.

I also express my sincere and heartfelt thanks to PROF. DR. M. PETER MARIAN, Head, Centre for Marine Science and Technology, Manonmaniam Sundaranar University, Rajakkamangalam for providing a chance to undergo the course of study, suggestions and guidelines, co-operation and all sorts of scholarly assistances, which he extended.

I also extend my sense of gratitude to DR. S. L. SASIKALA, Reader, DR. A. PALAVESAM, Reader, DR. S. RAVIKUMAR, Lecturer, DR. S. G. PRAKASH VINCENT, DR. M. MICHAEL BABU, Lecturer and DR. R. ANANTHARAJAN Lecturer, Centre for Marine Science and Technology, Manonmaniam Sundaranar University, Rajakkamangalam for their encouragements and timely helps throughout the study.
I am also indebted to express a word of thanks to Mr. R. Alphonse Reegan, Lab Assistant, Mr. G. Raja Jai Kumar, Mr. K. K. Paranthaman, Mrs. S. Vanaja, Mr. P. Annathurai and research scholars Mr. M. Navin Chandran, Mrs. Preetha, Mrs. P. Geetha and Ms. P. W. Jeba Malar and Mrs. Pearlin W. Sheeja of the centre.

I wish to express my sincere gratitude to Ms. Emilin Renitta for her valuable help and suggestions.
