List of Tables

Chapter – 2

2.1 Chemical composition of potatoes.
2.2 Major potato producing countries.
2.3 State wise average area, production and yield of potato in India (2000-2003)
2.4 Top ten potato producing Indian State during 2004-05
2.5 Potato statistics of India vis – a vis other country.
2.6 Production, area, yields of India.
2.7 The status of potato processing sector in India during 2004.
2.8 Major exporters of potatoes and / or potato based processed products in world during 2003.
2.9 Country wise exports of seed potatoes from India.
2.10 Country wise exports of fresh potatoes from India.
2.11 Country wise exports of processed potatoes from India.

Chapter – 3

3.1 Commercial varieties released by CPRI Shimla
3.2 Varieties of Potatoes for Processing
3.3 Diseases and its Management
3.4 Pests and It’s Management

Chapter – 4

4.1 Export of Potatoes from India
4.2 India’s Export compared to production
4.3 Calculation of Co-relation Coefficient
4.4 NPCs for Potatoes, 1997-98 to 2004-05
4.5 Countries wise export of Potatoes.
4.6 Commodity wise Export
4.7 Growth of Export Commodity wise in 2004 – 05 to 2005 – 06
4.8 Export Status of Potatoes to the Nine target countries.
4.9 India’s contribution to Srilanka’s Total Import
4.10 India’s contribution to Nepal’s Total Import
4.11 India’s contribution to Malaysia’s Total Import
4.12 India’s contribution to Maldives’s Total Import
4.13 India’s contribution to Mauritius’s Total Import
4.14 India’s contribution to Saudi Arabia’s Total Import
4.15 India’s contribution to Singapore’s Total Import
4.16 India’s contribution to UAE’s Total Import
4.17 India’s contribution to Bangladesh’s Total Import

Chapter – 5
5.1 Food Processing Unit under Implementation
5.2 Productions, Area & Yield of Potato in West Bengal
5.3 Potato Production of Major District in West Bengal
5.4 District wise Cold Storages in West Bengal with Capacity (MT)
5.5 Export of Potato from Kolkata and Haldia Port for the last five years country wise and commodity wise.
5.6 Cost estimate for fresh Potato from West Bengal to prospective markets (By sea – 20’ Dry Container: Max Capacity: 16 MT)
5.7 Potato Price Trend in the Importing Country
5.8 Calculation of 12 pt. Moving average from 2000 -04 (Wholesale price)
5.9 Calculation of seasonal Index
5.10 Government interventions for financing of Agri Export Zone
5.11 Marketing Channels Identified in the survey.
