Acknowledgements

When all good things come to an end, memories are left behind. In this regard, I feel obliged to all those who have helped me to see this day.

With highest sense of pleasure, I wish to record here my sincere and deep sense of gratitude and indebtedness to my major advisor, Dr. Apurba Ratan Ghosh, Reader, Department of Environmental Science and Assistant Director (Additional charge), Academic Staff College, The University of Burdwan for his invaluable guidance, unceasing supervision, incessant help and advice during period of research and preparation of this thesis.

I am greatly indebted to Prof. J.K. Dutta, Head of the Department, to concede me the laboratory facilities and Dr. Rajnarayan Saha, Lecturer, Department of Environmental Science, The University of Burdwan for his timely help and encouragement during the study.

I heartily wish to express my revering gratitude and indebtedness to Dr. T.J. Abraham, Reader, Department of Fishery Pathology and Microbiology W.B.U.A.F.S., for his precious counsel, affectionate encouragement, unequivocal motivation and critical perusal of this manuscript.

It is a great pleasure to record my thanks to The Honourable Vice-Chancellor, The Registrar and Dean (Science) of The University of Burdwan for the academic and administrative facilities extended to me.

I owe my sincere thanks to The Honourable Vice-chancellor and The Registrar, W.B.U.A.F.S., for permitting me to register as an external candidate and Dean, Faculty of Fishery Sciences, W.B.U.A.F.S., for permitting me to utilise facilities of this Institute and to carry out research works.

I am also grateful to Dr. S. Chakraborti and the all the staff of USIC, The University of Burdwan for their kind help and suggestions during the work of Scanning Electron Microscope.
I wish to place on record my heartfelt gratitude to Mr. K.S. Udupa, College of Fisheries, Mangalore, for his invaluable suggestions and help with regard to statistical analysis.

The facilities provided by In-charge, Library, Faculty of Fishery Sciences, W.B.U.A.F.S. and CICFRI, Barrackpore is gratefully acknowledged.

I am very much grateful to all the shrimp farmers of Digha, Soula, Auria, Petuaghat, Rupsulpur and Korpura regions of Medinopore (East) District for their assistance and co-operation for the collection of data and samples during the field visits.

I have an immense pleasure to convey my genial thanks to my colleagues Dr. S.K. Das, Dr. G. Dash and Dr. S. Behera for their timely help and valuable suggestions during various stages of the research work and preparation of this thesis.

It is my colossal pleasure to articulate my cordial thanks to Mr. S. Sarkar and Dr. R.K. Trivedi for their affection, unflinching support and encouragement throughout the period of my study.

I am also thankful to my colleagues Dr. B.K. Das, Dr. N.R. Chatterjee, Dr. K.C. Dora, Mr. E.K. Rayan, Mr. A. Mondal, Mr. S.K. Rout and Mr. S. Sahu for their friendly support and cooperation.

It is a very satisfying moment for me to offer my sincere thanks to the help rendered by my friends Dr. Annappaswamy, Dr. Ashok Hegde and Dr. Srinivasa Rao for extending a helping hand and support throughout the period of my study.

I am very much thankful to Research Fellows and Post Graduate Students particularly D. Sasmal, Samatno, Kamiliya, Shubadeep, Anupam, Kaushik, and Samir of Faculty of Fishery Sciences, W.B.U.A.F.S., for their assistance in the filed and laboratory.

Thanks are also due to M/s Dhar Brothers, Kolkata for binding the thesis.

It fills my eyes with tears to remember my father whose blessings, love and moral support always remained as a driving force behind all my success.
My wife Annapurna, who is the main source of inspiration, deserves all praises for her love, endurance, encouragement and help rendered during entire course of research work and preparation of this thesis.

The constant support, inspiration and blessings of my mother, brother, sister in-law, in-laws and the love by Anu putti was a great motivating factor, which helped me to see this today. I thank them from the core of my heart.

My special thanks to my cousin Vishwa for his great support and suggestions in my work. Well wishes and support received from my aunties, uncle and brother in-law are sincerely acknowledged.

Special thanks to our family friends and their kids Nutan Bhabhi, Jeba Madam, Babua, Chinki, Puja, Gerris and Jarvis for their affectionate support.

Last but not the least I want to thank Almighty who blessed me with the audacity, patience and mental peace in every step so that this piece of work could be completed successfully.
