ACKNOWLEDGEMENT

It is my privilege to express my gratitude and heartfelt thanks to my mentor and respected guide Prof. Dr. V. Gopal M.Pharm., M.B.A. (Education Management), Ph.D., FICS., MISTE., Principal, College of Pharmacy, Registrar Academic, MTPG & RIHS, (A Government of Puducherry Institution), Puducherry who always encouraged me to strive for the best in my research and imparting indispensable guidance and tremendous encouragement at each and every step of this dissertation work. Under his guidance I successfully overcame many difficulties and learned a lot. Without his critical evaluation this thesis would not have become a reality.

I express my heartfelt sense of gratitude and sincere thanks to my Co-guide Prof. Dr. C. UmaMaheswara Reddy M.Pharm., Ph.D., Professor & Head, Department of Pharmacology, Faculty of Pharmacy, Sri Ramachandra University, Chennai, an excellent mentor who has challenged and encouraged me to be better every day. Thanks for helping me to grow during the past years valuable suggestions, immense help and constant encouragement throughout the work.

I wish to thank my research advisory member Dr. M. Ramanathan M.Pharm., Ph.D., Principal, PSG College of Pharmacy, Coimbatore, for his immense cooperation and constant encouragement throughout the work.

I wish to express my sincere thanks and heartfelt respect to Thiru. V.R. Venkataachalam, Chancellor, Dr. T.K. Partha Sarathy, Professor of Eminence and Chief Advisor, Dr. S. P. Thyagaragan, Professor of Eminence and Dean (Research), Dr. J.S.N. Murthy, Vice-Chancellor Thiru. N. Natarajan, Registrar, Dr.
K.V. Somasundaram, Dean of Faculties, Dr. Vijayalakshmi Thanasekaraan, Controller of Examinations, Thiru. T.S. Thyagarajan, Deputy Registrar (Examinations), Sri Ramachandra University.

I would like to convey thanks to Dr. K. Girija, M. Pharm., Ph.D., Professor & Head, Department of Pharmaceutical Chemistry, College of Pharmacy, MTPG & RIHS, for her understanding and personal attention which provided good and smooth basis for my Ph.D. tenure throughout the work.

I extend my sincere thanks and gratitude to Dr. V. M. Mounnisswamy, M. Pharm., Ph.D., Reader, Department of Pharmaceutical Chemistry, MTPG & RIHS, for his constant encouragement, valuable support.

I like to convey my sincere thanks to Dr. D. Chumundeeswari, M. Pharm., Ph.D., Principal, Faculty of Pharmacy, Sri Ramachandra University for her invaluable suggestions and support.

I like to convey my sincere thanks to Dr. K. Chitra, M. Pharm., Ph.D., Professor and Head, Department of Pharmaceutical Chemistry, Faculty of Pharmacy, Sri Ramachandra University for her invaluable suggestions and support.

I wish to place my heartfelt thanks to Vasthi Kennedy Evanjelene, Alpha Omega Hi-Tech Bio-Research Centre, Salem, for immense help towards the completion of pharmacological studies.

I wish to place my heartfelt thanks go to Dr. Raghu, M. Pharm., Ph.D., and Mr. M. Vinod, M. Pharm., who provided “Schroding-Maestro 9.4” software to carry out major portion of my computational work.
My sincere thanks to St. Joseph College (Trichy), Shastra University (Tanjore) and SRM University (Chennai) for spectral studies.

Words are short to express my thanks to my colleagues Mrs. T. Sheela Rani and Dr. S. Premalecturers, Faculty of Pharmacy, Sri Ramachandra University, who were always there to collaborate and be of much support in difficult times, share their experiences and extend a hand when needed.

The work would not have been possible without the support, understanding, love, blessings, guidance and encouragement at all stages of my work by my father Mr. C. Vadivelu, my mother Mrs. V. Tamilarasi, my husband Mr. S. Srinivasan, my brother Mr. V. Raghu Raman, and my most lovable and precious sons Master S. A. Sivasanjay and Master S. A. Sivasamithran. I do pray the most gracious to reward them all and I owe everything to them.

Last but not the least I thank the almighty for giving me the courage and knowledge to complete this work successfully.
