Certified that the research work detailed in the thesis entitled "*Study of solvation in various media by monitoring spectroscopic and thermodynamic properties*" has been carried out fully by Sri Angshuman Maitra of the department of Chemistry, Burdwan University under my direct supervision. It is further certified that this thesis or any part thereof was not previously submitted to any other University or Institution for any degree or diploma. Sri Maitra has also fulfilled all the requirements necessary for the Ph.D. degree examination of the University of Burdwan.

(Sanjib Bagchi)

Professor of Chemistry
