A. ACKNOWLEDGEMENTS

No words can adequately express my gratitude and respect towards my Guide Dr. A.B. Rema Shree, Dy. Project Director, Centre for Medicinal Plants Research (CMPR), Arya Vaidya Sala, Kottakkal, Kerala, India, for her guidance, valuable advice and constant support throughout the course of my research work. She carved me from blunt shaped researcher to a sharp edged researcher with wide vision. I shall be always indebted for the knowledge and skill, which I could learn from her. This task would not have been fulfilled so successfully without her prudent suggestions and rectification. Moreover, her ever welcoming and supportive academic attitude was a great encouragement for me.

I express my deep sense of gratitude to Padmabhooshan Dr. P. K. Warrier, Managing Trustee and Mr. K. K. Warrier, General Manager, Arya Vaidya Sala, Kottakkal, Kerala, India for providing the necessary facilities and infrastructure to carry out my work.

It is my privilege and pleasure to place on record my respectful gratitude to Dr. Indira Balachandran, Project Director, Centre for Medicinal Plants Research, Arya Vaidya Sala, Kottakkal, Kerala, India for providing necessary instructions and laboratory facilities. She has been a constant source of inspiration throughout the work.
