ACKNOWLEDGEMENT

I thank God Almighty from the depth of my heart for sustaining and strengthening me in this arduous task. It is His abundant Grace which has enabled me to complete my research work.

I record my indebtedness to my Research Supervisor, DR MK SRIPATHI M A Ph D D Litt, formerly Dean, Madurai Kamaraj University, Madurai, for his unfailing guidance and valuable suggestions which have been my mainstay throughout my research work. His scholastic achievements, wide range of research experience, critical acumen and his insistence on perfection have helped to give the right orientation. Above all, his unstinted willingness to help me at every stage of my research work has been a great source of encouragement and inspiration.

I wish to thank the Principal, Sarah Tucker College, Palayamkottai, the Registrar and the Vice-Chancellor, Manonmaniam Sundaranar University, Tirunelveli, for having accorded permission to enrol for Ph.D.
It is in place to express my gratitude to ASRC, Hyderabad, for readily offering me access to their library and for extending all possible help in furtherance of my research work. I also thank the USIS, Madras, for their prompt service in sending me source materials and allowing me to do reference work in their library.

I express my heart-felt thanks to my Cousin, Mrs. Vanajothi Raj, Detroit, USA, for her timely assistance in sending me copies of some rare reference materials from the libraries there.

I am grateful to Mrs. Prema Nair, Librarian, Sarah Tucker College, Tirunelveli, for cheerfully helping me whenever approached.

I am very much obliged to the members of the UGC for extending financial support and encouragement to my research work.

I thank Mrs. Felicina Devadoss, Head of the Dept. of English, my colleagues and friends for their endearing words of encouragement and sincere wishes.
I remain thankful to my husband for his encouragement, constant support and co-operation in all possible manners. I thank my father for his earnest prayers and also my children, Japhne Reema and Clint Solomon, who stood by me in good cheers to smile away weariness.

Special mention must be made of the services rendered by Bharathi Communication Centre, P W D Road, Nagercoil, in giving the thesis a good format. I am thankful for the neat execution and prompt delivery.
