ACKNOWLEDGEMENT

It gives me immense pleasure to complete this work. I owe my deepest sense of gratitude to my Honourable Supervisor Prof. (Dr.) Markanday Ahuja, Vice-Chancellor, Baba Mastnath University, Asthal Bohar, Rohtak (Haryana) under whose supervision and generous guidance this challenging task has been completed. His continuous encouragement, insightful comments and constructive criticism enriched my ideas. I have been amazingly fortunate to have a guide who gave me the freedom to explore on my own and at the same time the guidance to recover when my steps faltered. I can never forget his kindness and anxiety to help me in completion of this thesis.

I am also thankful to the Library Staff of JJTU, Jhunjhunu and Library Staff of Baba Mastnath University, Asthal Bohar, Rohtak (Haryana) for their co-operation and support in completing this work. In the end, I would like to express my heart-felt gratitude to my family members for their love and support all the way.
