ACKNOWLEDGEMENTS

I wish to record my deep sense of gratitude to Prof. (Dr) P.N.K. Nambisan, Director, School of Marine Sciences, Cochin University of Science and Technology for his valuable guidance and help in the preparation of the manuscript and for suggesting improvements.

I am gratefully indebted to Dr. A.N. Balchand, Research Associate, School of Marine Sciences, Dr. Basil Mathew, Scientist, Naval Physical Oceanographic Laboratory, Cochin, Prof. T.M. Sankaran, College of Fisheries, Kerala Agricultural University and Dr. M. Jathavedan, Department of Mathematics and Statistics, Cochin University of Science and Technology for their valuable suggestions.

I also acknowledge Dr. T.K. Sivas, Head, Instrumentation Division, Central Institute of Fisheries Technology, Cochin, Shri. T.N. Jayachandran (former Chairman), Cochin Port Trust, (late) Dr. H.N. Siddique, Director, National Institute of Oceanography, Goa, for the suggestions and facilities rendered by them during the course of study.

I am thankful to my colleagues of Cochin university who have always been willing to render me assistance for the successful completion of the course and who helped me at times of cruises.

My thanks are also due to the authorities of Cochin University of Science and Technology for providing me the necessary facilities to carry out this work in the School of Marine Sciences. I thank Dr. P.G. Kurup, School of Marine Sciences who was my supervisor at the early stage of this study. Financial support from Department of Science and Technology (India) is thankfully acknowledged.

The help offered by Shri. K.V. Chandran and Shri. S. Vancheeswaran in typing the thesis is gratefully acknowledged.
