Declaration

I, Joseph John K, hereby declare that the thesis entitled "Studies on Ecogeography and Genetic Diversity of the genus *Momordica* L. in India" is a record of original research work carried out by me under the guidance and direct supervision of Dr. V.T. Antony, Lecturer Sel. Grade, Department of Botany, St. Berchmans' College, Changanacherry. I further declare that no part of this thesis has been submitted for the award of any other degree or diploma.
