ACKNOWLEDGEMENT

Praise to ALMIGHTY GOD, the Light of the world, who has kindled me to the fruitful completion of this Ph.D. thesis inspite of numerous obstacles on the way.

Next to Him, my sincere and deep gratitude is to my esteemed guide, Dr. P.S. CHANDRAKUMAR, Professor, Centre for Research, St. Xavier's College of Education, Palayamkottai, for his valuable guidance and counselling all through my research work. No words of praise and gratitude can match the magnitude of the services he has rendered me as a guru in this research work of mine.

My beloved wife Tmt. M. SWORNAM STEPHEN is the constant source of inspiration and encouragement to me throughout this research work. Though she may consider formal expression of gratitude from me unnecessary, I hereby acknowledge her help, especially in the form of moral support. Many thanks, dear.

Rev. Fr. VEDANAYAGAM, S.J., Principal of St. Xavier's College of Education, Palayamkottai, warmly encouraged me to take up this research work and magnanimously facilitated its execution. I heartily thank him for this. May God reward him for his generosity!
My hearty thanks also to Rev. Fr. A. Maria Rathinam, S.J. Correspondent, Carmel Higher Secondary School, Nagercoil and Rev. Fr. A. Maria Sigamony, S.J. Headmaster, Carmel Higher Secondary School, Nagercoil for their patronage regarding this research work.

Many thanks to the heads and teachers of all the sample tuition centres of Kanyakumari District and Higher Secondary Schools who favoured me with unstinted co-operation in the collection of the data for my research.

I owe my gratitude to the authorities of the MANONMANIAM SUNDARANAR UNIVERSITY for all the help they graciously rendered to me in my thesis work.

Last but not least, I am happy to record my warm thanks to Mr. T.Thankaraj of St. Xavier's College of Education, Palayamkottai for his generous help in the data analysis for the thesis and Bharathi Communication Centre, Nagercoil for their efficient technical assistance in the preparation of this thesis.

In brief, many many thanks to everyone who has inspired and instilled me in making this thesis.

M. GEORGE STEPHEN
