"In the shadow of your wings I find protection"

I remember my creator with gratitude for helping me traverse thus for life’s ocean in all sorts of weather. Behind the scent of sweet success lie a huge dream, sweat, toil and hard work. At this point I look behind and see with gratitude the innumerable hands that made this dream a possibility.

Words are not the limit to express my sincere gratitude to my mentor and guide Dr. Sr. P.D.Mercy for leading me through the beautiful world of lectins. I remember the simple touch you gave to the practical approaches, your unerring encouragement and above all perfection in anything that is done.

I remember with gratitude Dr. Sr. Basil Rose, who helped me a lot to unravel the mystery of the chilopods. I shall always remember the patience you had in correcting my thesis and giving important suggestions to improve my skills.

I express my sincere thanks to Dr. Sr. Rosalie (Correspondent), Dr. Sr. Elsy George (Principal), Dr. Sr. Jeraldin Jeyam (Secretary), Sr. Jancy (Librarian), Holy cross college, Nagercoil for providing me the facilities to pursue research in the college.

My profound thanks to Mrs. Lucy, Mrs. Dulay Fatima, Dr. Vimala, Dr. Jeyasurya, Mrs. Thanalakshmi, Dr. Premalatha, Mrs. Alice, Mrs. Mary Saroja, Dr. Shyla suganthi and Mrs. Metilda, Lecturers, Dept. of Zoology for their love, care, support and prayers for the successful completion of my research.

I gratefully acknowledge Mr. Jesu Raj, Mrs. Alphonsal, Mrs. Jegathammal, Mrs. Leema, and Mrs. Mary, Administrative staff of our dept, for the encouragement, valuable help and all the services rendered by them during the various stages of my experiments.

My thanks to Dr. Ruby (Scientist) and Mr. Vinesh (RS) of Rajiv Gandhi institute of Biotechnology for helping with the ultracentrifugation of the sample.

My special thanks to the security officer and other members of Sri chitra Research Institute, Mr. Ravi, Mr. Chandran and Gilbert of Holy Cross College, Members of Vivekananda Kendra and Ranji Gardens for helping me in the collection of the centipedes.

I owe my heartfelt thanks to all the teaching and administrative staff of Holy Cross College for their support in the progression of the work.
I express my sincere thanks to my seniors, Dr. M. Jeyalakshmi, Lecturer, Madurai Kamaraj University and Mrs. Delphine rose, Lecturer, Jeyaraj Annapackiam college for the various help rendered by them. My special thanks to Jeyalakshmi for teaching me the various techniques, helping me in various experiments and for her love and prayers during each step of our four years in lab together.

There are a few people whom words may not be sufficient to thank. I shall always remember Priya and Devi for rendering their invaluable support and help in all that I have done. Research on centipede would have never been successfully completed had you both not been there with me.

I also thank Lekha and Shoba for all the help rendered by them.

I take this opportunity to thank and remember all my teachers of Alvernia Mat. Hr. Sec. School, Coimbatore, Lecturers of Nirmala College, Coimbatore, Holy Cross College, Trichy, Bharathiar University, Coimbatore and Stella Matutina College, Chennai for all the prayers, wishes and for making me what I am today.

I shall never forget the encouragement and support provided by my dad, mom, and my brother Berna, my aunt Sr. Mary, and my uncles for their supreme sacrifice and sound advice that brought me to this stage. I take this opportunity to remember all that they have done for me and thank them for all they have done. My special thanks to my brother for providing me with various chemicals, and the financial support that helped me to complete my work successfully.

I remember with gratitude my father in law and mother in law, my family members Mr. Raja and Mrs. Reeda, Mr. Viju, Mrs. Reena and baby Renee Candida, my husband Mr. Roby and my son Daniel Vargheese, for their love, care and support during each step of my research.

My special thanks to Ms. Shoba, of cocktail, Bishop Benziger complex, Assaripallam Road, Nagercoil for the neat execution of my thesis.

I acknowledge Tamilnadu state council of collegiate education for the research fellowship awarded during the course of my study.

Last but not the least I thank God almighty for giving me all those wonderful people who made a great impact in my life and for giving me the grace and strength to face the world and tide through the ocean of life.
