Acknowledgement

I have very great pleasure in recording here my indebtedness to Dr. A.J.A. Ranjit Singh, Reader, Department of Biology, Sri Paramakalyani college, Alwarkurichi and Dr. N.Sukumaran, Professor and Head, Sri. Paramakalyani Centre for Environmental Sciences, Alwarkurichi, Manonmaniam Sundaranar University, for suggesting this problem, for providing facilities at the centre and also for their unfailing guidance and constant encouragement. I also thank Dr. S.M. Petchimuthu, Retd. Professor of Microbiology, Sri Paramakalyani college, Alwarkurichi for his guidance in histopathological and histochemical studies.

It is my pleasant duty to record here my thanks to the management of Sri Paramakalyani College, Alwarkuruchi where it has been my privilege to serve in the Department of Biology for the past 32 years. I am extremely thankful to our secretary Prof. K.H. Narayanan, who evinced keen interest in my research work and encouraged me all along. I am much thankful to Mr.M. Natarajan, Principal of our college, for his encouragement.

I thank my former student, Dr. A.G. Murugesan, who is working as pool officer at Sri. Paramakalyani Centre for Environmental Sciences, Alwarkurichi for his abiding interest and help in my research work. My
hearty thanks to Mr. Zahir Hussain, Miss. Rajakumari, Mr. L. Subramanian and my laboratory assistants for their help at various levels.

I should also record my thanks to my colleagues in the department, Dr. L.M. Narayanan and Dr. P. Nagendraprasad, who have been encouraging me in my research work. I am thankful to Mr. T. Samuel, Research Scholar, AL. Mudaliar Research Centre for Basic Medical Sciences, Taramani, Madras, for his help in biochemical studies.

My wife, Mrs. N. Vasantha and our children (Padma, Rajagopalan and Sujatha) very kindly made it possible for me to devote my attention and time for research by relieving me from the responsibilities of the family, to all them my very sincere thanks are due.

I am thankful to Siva Computers at Gandhi Nagar, Tirunelveli for the neat preparation and printing of the text. I thank the Almighty for Giving me health and courage to finish the work in time.
Anything animate or inanimate that by its excess reduces the quality of living
