ACKNOWLEDGEMENTS

I consider it my pleasant duty to express my heartful gratitude to my research guide Dr. C.S. Rayudu, Professor and Head, Department of Commerce, S.K. University, Anantapur for having been extremely kind and generous in guiding me to keep abreast the latest information in the field of my special study from the time of the conception of the problem for the research.

I am particularly indebted to him for the pains he took in going through the matter, every line I wrote, and also for his valuable suggestions for improvement. Subba Rao, Dean, Faculty of Commerce and Management, S.K. University, Dr. A.V.
