ACKNOWLEDGEMENTS

I express my deep sense of gratitude to my revered teacher and research supervisor Dr. J. Sreeramulu Associate Professor Department of Chemistry Sri Krishnadevaraya University, Anantapur for his invaluable guidance, tireless efforts through discussions, keen interest and encouragement throughout the course of this investigation with immense pleasure. I am greatly indebted to him for his humanitarian treatment, hospitality and affection shown upon me.

I am grateful to Prof. M.C.S. Subha, Head Dept. of Chemistry, S.K.University Anantapur for providing necessary facilities to carry out this investigation.

I am thankful to Prof. R. Sreenivasulu, Prof. V.Suryanarayana Rao, Prof. L.K.Ravindranath, Dept. of Chemistry, S.K. University for their encouragement.

My sincere thanks to Prof. K. Mohana Raju, Dept. of Polymer Science and Technology, for his help and blessings.

I am also thankful to the Staff members of Dept. of Chemistry, Sri Krishnadevaraya University, Anantapur for their timely help.

My humble and hearty thanks to my beloved teacher Sri. A. Narasimhulu, H.O.D. Dept. of Physics Govt. Degree College, Udayagiri, for his help, encouragement, moral support and timely suggestions. I am also thankful to my teacher Sri. K. Bhaskar Reddy, P.D. Govt. Degree College, Udayagiri for his help and encouragement. I extend my thanks to Dr. K. Raghuram, for encouraging me to pursue research.

My sincere thanks to Dr. J.S.Yadav, Director, IICT, Hyderabad for his inspiration and for providing me spectral data and library facilities. I am also thankful to the Directors of IIT and CLRI, Chennai for providing spectral data.

I am indebted to my dearest friend K. Venkateswarulu, Research scholar, IICT, Hyderabad for inspiring me and extending all support.

Words really fail to express my gratitude and feelings towards my friend Mr.P.Indraneel, Research scholar, IIT, Chennai for his help and moral support.
throughout the tenure of my research work. My hearty thanks to my friends Uday Bhaskar and Venkateswara Rao, research scholars, IIT, Chennai.

I am thankful to my research colleagues Dr. S.V Swamy, Dr. B. Diwakar, Sanjeev, J. Sreenivas, Dastagiri Reddy, B.V. Narayana, C.T. Pape Gowd, and Nagabhushan Reddy, Dept. of Chemistry, Damodar Reddy, Ramesh and Sreenivas, Dept. of Bio-Chemistry, Subash, Dept. of Micro-Biology, Kesava murthy, Dept. of polymer science for their help.

I offer my humble Pranams to my loving Grand mother Smt. Chappidi Nagamma, who has shown boundless love and affection towards me and I am indebted to her forever. I pay my gratitude to my father Sri. Ch. Hazarathaiah, for his encouragement and cooperation throughout my studies and I extend my thanks to my beloved mother Smt. Lakshmi Devi, Brothers Harinath, Narayana and Sreenivas for their cooperation. I am also thankful to my sister Madhavi and Brother in law Surya

I am thankful to my cousins Mr. E. Murali Krishna and N. Mahesh for their help. My sincere thanks to my brother Sd. Peeran for his encouragement.

My sincere thanks to all the teachers who encouraged me from my primary education level to research.

I thank one and all who helped me in my research work and whose names I might have missed by omission.

I am thankful to Sri. S.Md. Nasir Hussain for computerizing the thesis neatly.

Ch. Hazarathaiah
