ACKNOWLEDGEMENTS

It gives me pleasure to express my deep sense of gratitude to Prof. P. Indira, Department of Zoology, Sri Krishnadevaraya University, Anantapur for introducing me to this field, for inspiring guidance, fruitful discussion and constant encouragement throughout the course of this investigation. I will always cherish her understanding nature and affectionate behaviour.

I whole-heartedly thank my teachers Prof. Md. Basha Mohideen, Prof. S. Radhakrishnaiah and Dr. Harold Philip for their valuable suggestions and discussions during my course of investigation.

I would like to thank my friends and colleagues - Mr. Sai Chandra Sekhar, Dr. K.V. Bhaskar, Mr. G. Narasimha, Mr. K. Harish, Mr. Jagadesh Naik, Mr. Sreeinvasa Reddy, Ms. Chamundeswari, Ms. V. Venkatarthnamma and others for their kind help and suggestions.

I thank the Non-Teaching Staff, Department of Zoology, S.K. University for their affectionate and friendly nature during the course of investigation.

I would like to extend my heartfelt thanks to Sri Venkatanari and my Uncle Sri K. Mangaiah, B. Yesanna; brothers - Mr. B. Manoj Kumar, B. Suresh, B. Rajesh, B. Balaraju, B. Rajanna, B. Devaraj, B. Sunil and sisters Miss B. Jayamma and Miss B. Moksharagni for their affectionate encouragement during the course of investigation.

Finally, I wish to thank Sri V. Sahadevan and Mr. S. Sandeep for their efforts in neatly executing the typing and decorating the thesis.

B. CHITTI RAJU.
