Acknowledgement

Firstly, I am many more thankful to the God Almighty for blessing me to have a great strength and courage to complete my dissertation. Behind every success there are lots of efforts, but efforts are fruitful due to hands making the passage smoother. So, I am thankful to all those hands and people who made my work grand success.

I express my profound gratitude and utmost regard towards my research supervisor Dr. I. E. Chakravarthy, Professor and HOD, Dept. of Chemistry, Rayalaseema University, Kurnool, for his excellent guidance and dedicated efforts that enabled me to think upon and understand problems and to solve them judiciously. He was a constant source of inspiration for me.

It is my great privilege to express my profound thanks and immense sense of gratitude to Dr. E. Rani, Assistant professor, Dept. of Chemistry, Rayalaseema University, Kurnool, for her valuable suggestions.

It is my great privilege to express my profound thanks and immense sense of gratitude to Dr. N. Rami Reddy, HOD, Dept. of Chemistry, S.B.S.Y.M. Degree College, Kurnool, for his valuable suggestions, co-operation and help.

I sincerely acknowledge the authorities of Rayalaseema University, Kurnool, for providing the necessary facilities to carry out my research work.
I am really ineffable to thank all my friends D.R. Venkatesh, D. Venkateswarlu, Vijaya Lakshmi, Rani, M. Mukarram Ahmed, R. Satish and K. Raghuveer who help me in all aspects during my research work.

I am pleased to place my profound etiquette to my lovable Brothers, Chandra and Yashpal for their love and encouragement showered upon me throughout my life.

I feel very much obliged to have a friendly caring and lovable wife Mrs. Sumithra for her moral support, constant encouragement and dedicated efforts to educate me to this level.

I pay tribute to my lovable parents Smt. B. Venkata Ramanamma and Sri. B. Muthyala Naidu for lifting me up till this phase of life. I sincerely thank them for their love, trust, patience and support and bearing all kinds of stress to make me what I am.

It is difficult task to acknowledge the services of all those gentle people. So I would like to thank all those people who have helped me directly or indirectly to complete this research work successfully.

*Sincerely thanks to all.*
