ACKNOWLEDGEMENTS

It gives me pleasure to express my deep sense of gratitude to my Research Supervisor Dr. Chinta Sudhakar, Professor, Department of Biotechnology, Sri Krishnadevaraya University, Anantapur, India for his professional supervision, obliging suggestions and affable endorsement, the most admirable and amiable supervisor. His encouragement was instrumental in successful completion of this work. I acknowledge his dynamic celebrity and genial thinking were always a source of incentive in all the phases of experimentation and decisive analysis.

I am obliged to Dr. B. Ravi Prasad Rao, Associate Professor and Head, Department of Botany, Sri Krishnadevaraya University, Anantapur, for providing necessary facilities and encouragement. I am thankful to Prof. T. Pullaiah, Dr. R.R. Venkata Raju, Professors, and Dr. S. Thimma Naik, Associate Professor Dept. of Botany, Sri Krishnadevaraya University, for their suggestions and encouragement.

It is a great privilege to acknowledge Dr. Timothy J Close, Professor, Department of Botany and Plant Sciences, University of California, Riverside, California, USA, Dr. Hans Peter Mock, Applied Biochemistry, Institute of Plant Genetics and Crop Plant Research, Gatersleben, Germany, Dr. Gabor Horvath, Department of Molecular Plant Biology, Faculty of Horticultural Science, Corvinus University of Budapest, Budapest, Hungary for providing antibodies as gratis.

I owe a lot to Dr. Muralidhara Rao, Dr. V. Ramakrishna, Asst. Professors Department of Biotechnology, for their help and encouragement. I extend my thanks to Dr. J. Sriramulu, Associate professor, Department of Chemistry, Dr. G.H. Philip, Head, and Department of Zoology, and Department of Biotechnology for their academic and moral help during my work when ever needed.

I am also grateful to the Scientists of Acharya N.G. Ranga Regional Agricultural Research Station, Nandyal, for providing the foxtail millet germplasm.

I am thankful to Dr. S. Giridara Kumar, Post Doctoral Fellow, Plant and Soil Sciences, Mississippi State University, USA, for their discussions and suggestions with a grate intimacy when working problems arise.
I am pleased to convey gratitude to my fellow research scholars, Dr. Jyothsna Kumari, Prasanthi, Chandraobul Reddy, Sriranganayakulu, Thippeswamy, Madhusudhan, Veerakumari, and Vidya Godavari and Venkata Rathnam, Kishore Babu and Lakshmaiah, Nrahari prasad other research scholars of the department.

I would remain highly indebted to my cousin brothers Dr. Channakesavulu, Junior Lecturer in Botany, A.P. Residential Joiner College, Gyarampalli, Chittoor (Dist), and Mr. Nagamallaiah, Lecturer in Chemistry, Govt. Degree College, Rayachoty, for unstinted aspirations and encouragement which have been a source of inspiration to me in my career. I am also thankful to S. N. Ramareddy for his kind cooperation.

I feel fortunate enough to have been blessed with Mr. L. Vijaya Raghava Reddy, Mrs. Madhu Madhavi, Mr. Reddaiah, and Mr. Ramakrishna as friends, who have been sharing the times of pleasure and pains and their adore since my childhood.

I extend my thanks to my research colleagues and friends, Naveen, Suresh, Chandramohan, Naveen H.M.P, Sudhakar, Bhupendra, Prathap, Gangi reddy, Venkatarayar, Srinivasulu, Dr. Bhaskar, Venkatachandrudu. I wish to also extend my gratitude to Mrs. Ghowry, Mr. Venkataswamy for their help and encouragement.

I am thankful to non-teaching staff Department of Botany, Veerappa, Krishnaiah, Krishnamoorthy, Kullayappa, Chandrasekhar, Chendrayudu, Narayana, and Madhu.

At last, When I think of my parents, Smt. G. Alivelamma and Sri G. Naganna, my beloved sister Veernagamma, my joy and gratitude find no bounds for what they have sacrificed for me. This piece of work could see the light of day only due to their stoical attitude, inspiration, perseverance, encouragement and keenness in the form of their affection. To thank them in words is belittling their efforts but while acknowledging other names can never stand before them. I owe my thanks to my other family members Smt. G. Krishnamma & Sri. G.Ramaiah, Ganndhar, Mallikarjuna for their moral support throughout my career.
