I am pleased to record my deep indebtedness to my guide Dr. M.A. Haniffa, Reader, P.G. Department of Zoology, St. Xavier's College (Autonomous), Palayamkottai, for suggesting the subject, effective guidance, perusal of the manuscript and constructive criticism.

I sincerely acknowledge the assistance and encouragement I have had from revered professor M. Thomas Punithan, Head of the Department and Fr. Stephen de Souza S.J., former Head of the Department, P.G. Department of Zoology, St. Xavier’s College (Autonomous). Rev. Fr. Antony A. Pappuraj, S.J., Principal, and former Principal Rev. Dr. Francis M. Peter, S.J., St. Xavier’s College (Autonomous), are specially thanked for the keen interest evinced in my work and also for having permitted me to join the institution as Junior Research Fellow in the U.G.C. major research scheme.

I also express my sincere thanks to the Chairman, GATE-93, Ministry of Human Resource Development, Government of India, for having qualified me for research fellowship. I again record my sincere thanks to the U.G.C, New Delhi for the award of JRF and for the financial assistance to continue and complete my research.

I am also grateful and record my deep indebtedness to Dr. Richard T. Lovell, Department of Fisheries and Allied Aquacultures, Auburn University, U.S.A and Dr. Shi-Yen Shiau, Department of Marine Food Science, National Taiwan Ocean University, Taiwan, Republic of China, for their timely assistance of sending valuable materials in connected with my research.
Further my thanks are due to Dr. J. Sheik Mohammed, Professor and Head of the Department of Biochemistry, Tirunelveli Medical College, Tirunelveli., Dr. S. Mathavan, Reader, School of Biological Science, Madurai Kamaraj University, Madurai and Dr. S. Ahamed Ali, Senior Scientist, Centre for Brackishwater Aquaculture (CIBA), Chennai for their valuable advises on the methods used in this research. I must also express my gratitude to Dr. A. Palavesam, Reader, M.S. University as well as to Mr. M.S. Abubacker for their valuable suggestions during the course of my writing this thesis and I am immensely thankful as well to authors enlisted in the reference section of the thesis.

I am pleased to acknowledge the assistance I have availed from the following research institutions in regard to collection of literature and thank the authorities for their kind help: Fisheries College and Research Institute, Tuticorine., Centre for Advanced Studies in Marine Biology (CAS), Parengipettai., Department of Aquatic Biology, University of Kerala, Thiruvananthapuram., National Institute of Oceanography, Goa., Madurai Kamaraj University, Madurai., and Central Institute of Brackishwater Aquaculture (CIBA), Chennai.

I am glad to express my grateful acknowledgments are due to my colleagues and to the many who by their kind cooperation have assisted in my research. I heartily express my gratitude to Mr. A. Ibrahim for his kind help and encouragement throughout my work.

This acknowledgment of thanks-giving would not be complete to if I did not express my heart felt gratitude to my grandmother, parents, sisters and brothers for their understanding affection and keen interest. I deeply feel indebted to them for all the encouragement shown me during my research and for ever.
