ACKNOWLEDGEMENTS

MY gratitude to my revered teacher Prof. V. RAMA MURTHY, Professor of Physics, Sri Krishna Devaraya University, Anantapur, cannot be expressed in words alone. He has been not only a great source of inspiration but also a pillar of strength to me throughout the duration of my research. His continuous encouragement, guidance and valuable advice have played a crucial part in this research work. At the same time, I express my heartfelt thanks to him.

I am greatly indebted to Prof. D.V. SUBBAIAH, Professor and Head of the Department of Physics, S.K. University and Prof. K.V. Sivakumar, Professor and former Head of the Department and Chairman, Board of Studies, who kindly provided the required laboratory facility to me during the course of my research.

I take great pleasure in expressing my sincere thanks to Prof. T.V. RAMA KRISHNA RAO, Dean of Physical Sciences, Prof. N. MANOHARA MURTHY, Principal, S.K.U. College and Prof. E. RAJAGOPAL, Department of Physics, S.K. University, Anantapur.

I am also thankful to Dr. R. JEEVAN KUMAR, Associate Professor and other faculty members in the department of Physics, S.K. University, Anantapur for the help rendered by them.
I am also thankful to Dr. K. ASHERVADAM, Pharmacology Department, Medical College, Anantapur for his valuable suggestion and kind help in furnishing the books of reference.

My Sincere thanks are due to Dr. N.L.S. VIDYA SAGAR, Principal, Govt. Degree College, Nandyal and S. IMTHIYAZ AHAMED, Principal, National Degree College, Nandyal.

I feel that words are inadequate to know and express my thanks for the affection, hospitality and encouragement from Smt. SAVITHRI RAMA MURTHY.

Finally, I would like to thank Sri C. Lakshmi Kantha Reddy and P. Raghu, of GURU RAGHAVENDRA GRAPHIC POINT, ANANTAPUR for their excellent computing and Printing works.

S. RAMESH BABU.
