ACKNOWLEDGEMENTS

I am very much delighted to have this opportunity to record my heart felt and profound sense of gratitude to my revered teacher and research supervisor Prof. Ch. UMAMOHAN, Professor of Sociology, Department of Sociology, S.K. University, Anantapur, for his inspiring and instructive guidance throughout my research work. I have always had free access to him for which I once again express my gratefulness to him. His encouragement, helpful discussions and care even in minute details are responsible for the present shape of this thesis.

I express my profound gratitude and appreciation to Prof. G. Lakshmaiah Naidu, Dean, Faculty of Social Sciences for his invaluable suggestions, keen interest, advice and constructive criticism during the work, which have always been a source of inspiration for me throughout my studies.
