ACKNOWLEDGEMENTS

First of all I wish to thank Dr. B. Meenakumari, my supervising guide and Director, Central Institute of Fisheries Technology (CIFT) for her unstinted encouragement, constructive comments and review of the manuscript. This thesis emerged as a part of the Ad-hoc project entitled “Investigations on the effect of bottom trawling on the benthic fauna off Saurashtra coast (Gujarat)” initiated by Ocean and Atmospheric Sciences and Technology Cell (OASTC) under the Ministry of Earth Sciences, Government of India. I gratefully acknowledge them for the financial support rendered for the project. The former Director Dr. K. Devadasan was kind enough to permit me to register for Ph.D. and to utilize the facilities of CIFT. I am obliged to Dr. R. Badonia, Scientist-in-charge, Veraval Research Centre and Co-PIs of project Mr. Madhu V.R., Dr. Satyen Kumar Panda and Dr. P. Pravin for the help extended to accomplish this work. The discussions with Shri. V. Ravindranathan, Former Vice-Chairman, OASTC; Prof. (Dr.) K.T. Damodaran, Research Co-ordinator, OASTC, Dr. A.V. Saramma, Former Research Co-ordinator and Dr. R. Damodaran, Former Consultant, OASTC were fruitful. I am grateful to Dr. M.R. Boopendranath, Principal Scientist and Dr. P. Muhamed Ashraf (Scientist SG) of CIFT for their fruitful suggestions. Dr. Sunil Mohammed, Head of Division, Molluscan Fisheries Division, Central Marine Fisheries Research Institute is acknowledged for confirmation of species identification of gastropods and bivalves. The support bestowed by Dr. P. A. Thomas, Retd. Principal Scientist and Ex. Emeritus Scientist (ICAR), for identification of octocorals are appreciated. The help rendered by Dr. K. Saraladevi, Retd. Scientist, National Institute of Oceanography for confirmation of identification of macrobenthic polychaetes is sincerely acknowledged. I gratefully acknowledge Dr. S.K. Panda & Dr. V. Geethalakshmy of CIFT and Dr. K.V. Jayalakshmy of National Institute of Oceanography for the help in carrying out the statistical analysis of the data. I wish to thank the crew of the Marine Fishing Vessel (MFV) Sagarkripa for the help extended in collection of samples. I thank ex-SRFs of Veraval Research centre Mr. D.T. Vaghela, Mr. Jagadis Jethva and Mr. Nimit Joshi for their help to carry out this work. Thanks are due to ex-SRFs Mr. Gibinkumar, Mr. Sabu S., Mr. Ajit Peter, Ms. Sreeja A., Mr. Gipson
Edappazhom, Mr. Baiju John and Mr. Kalidas C. Special thanks to Ms Reseena A., Mr. Abhilash P.P. and other SRFs presently working at CIFT for their support and encouragement. I am indebted to all the staff of CIFT (Veraval Research Centre and Cochin) who was involved in the activities of this work.

Last but not the least; I would like to thank God Almighty, my parents, mother-in-law and husband who have stood behind me to overcome the turbulent gale met with during the completion of this work. My daughter has been bestowing additional source of energy inspiring me to accomplish this thesis.
