ACKNOWLEDGEMENT

I am indebted to my guide Dr. M.A. Haniffa, Reader, Department of Zoology, St. Xavier's College (Autonomous), Palayamkottai for his presence, guidance and inspiration which have contributed in a large measure to the completion of the thesis. I owe a deep dept of gratitude to him in more ways than one.

I must express my gratefulness to Dr. R. Palaniappan, Head, P.G. Department of Microbiology, Sri Paramakalyani College, Alwarkuruchi. He permitted me to avail the facilities to investigate the microbiological aspects of my work.

I must make a special reference to Er. K. Karthikeyan, Assistant Environmental Engineer, Tamilnadu Pollution Control Board, Tuticorin. He took extraordinary interest in my treatment studies and helped in several ways.

I sincerely thanks Rev. Fr. Antony A. Pappuraj, S.J, Principal, and the former Principal Rev. Dr. Francis M. Peter, S.J, St. Xavier's College, Palayamkottai for permitting me to work as a Research Fellow at CARE.

I am also grateful to Dr. H. Syed Othuman, Head, Department of Zoology, Sadakathullah Appa College, Tirunelveli for the patience and readiness with which he spent long hours with me in histopathological part and at various stages of this work. I wish to express my gratitude to Dr. K. Vareethiah, Senior Lecturer in Zoology, St. Jude's College, Thoothoor for the assistance rendered in the statistical interpretation of the data and Dr. R. Rajakumar Koilpillai, Selection Grade Lecturer in Zoology, St. John's college, Palayamkottai for his constant source of help in the pain taking process of proof reading.

I sincerely acknowledge the timely help I have had from Rev. Dr. V.S. Manickam, S.J, C.B.B, Department of Botany, Prof. M. Thomas Punithan, Head, Department of Zoology; Dr. B. Victor, Fish Pathology unit; Dr. Dunston P. Ambrose, Entomology Research unit; Dr. J.P. Arockiam, Integrated fish culture unit and Prof. T. A. Sethuramalingam Department of Zoology, St. Xavier's College, Palayamkottai. My sincere thanks are also due to Mr. S. Ramani, Manager, Tamilnadu Pollution Control Board, Tirunelveli and Dr. V. Irudayaraj, Associate Scientist, Environmental Resources Research Centre, Trivandrum.
Mr. J. Antony Johnson (DOE - JRF), Centre for Aquaculture Research and Extension (CARE), St. Xavier's College, for the neat execution of the figures and readily offered technical assistance. Dr. S. Arulselvan and my co-scholars Mr. S. Sridhar (ICAR - SRF) Mr. C. Vijayakumar, Mr. A. Albin and Mr. Muruganandham keeping my spirits high with their helping attitude. I am highly thankful to Mr. S. Dominic Rajkumar (CSIR - SRF), Sri Paramakalyani Centre For Environmental Sciences, MSU, Alwarkuruchi and Mr. K. Rajan (CSIR - SRF) Entomology Research Unit, St. Xavier's College, Palayamkottai for their many acts of kindness and help in my research work.

I express my sincere thanks to Mr. V. Sundaresan (UGC - JRF) and Mr. C. Murugan (UGC - JRF) C.B.B; Dr. P. Martin, Mr. P.K. Joseman, Mr. J. Sheik Mohammed, Mrs. T. Merlin Rose (CARE); Mr. Antoclaver (DOE - JRF) and Mr. Prem Mathimaran (DOE - JRF) Entomology Research Unit, St. Xavier's College, Palayamkottai.

I acknowledge with thanks the Tamilnadu State Council for Science and Technology (TNSCS & T), Chennai for the financial support and Mr. Ramalingam, Executive Director, Dharani Sugars and Chemicals Ltd., Vasudevanallur for providing effluent samples.

The computer type-setting and Laser Printing were carried out by Mr. CT. Kannan, Abhi DTP, Tirunelveli. I am grateful to him for his efforts and active co-operation.

I express my profound thanks to my parents, my sisters (Mrs. S.M. Jeyaseeli and Mrs. S.M. Lourdhu mary) and all my family members for their timely services in connection with research work. My special and sincere thanks to Ms. M. Maria sarojia who helped me cheerfully and enthusiastically throughout my research work.

S. Arockiasamy
