ACKNOWLEDGEMENT

I express my deep sense of gratitude to Dr. N.M. Mathew, Director, Rubber Research Institute of India, for his invaluable guidance, supervision and timely advice during the course of the investigation and the preparation of manuscript. I have greatly benefited from his vast experience and knowledge in the field of Rubber Technology.

I am thankful to Dr. M. Padmanabhan, Director, School of Chemical Sciences, M.G. University for the support rendered throughout the study.

I express my sincere gratitude to Dr. K.T. Thomas, Deputy Director, Rubber Technology Division, Rubber Research Institute of India for his constant support, co-operation and encouragement during the study.

I would like to express my sincere thanks to Dr. Benny George, Scientist, Rubber Technology Division for carefully reading the manuscript and critical suggestions. I am thankful to Dr. Radhakrishnan Nair, Mrs. Mariamma George, Mr. K.N. Madhusoodanan, Mrs. Susamma Joseph and Mrs. Geethakumari of Rubber Technology Division for the supports given during the work. My sincere thanks are also due to all my colleagues of Rubber Technology Division for the timely help given for carrying out the work.

I also express my thanks for the co-operation and timely help rendered by all the members of the Library and Instrumentation section of Rubber Research Institute of India.

I am extremely thankful to Mr. Ramesh B. Nair, Mr. Biju, Mr. Anish, Mrs. Liza and Mrs. Suma of the computer section, Rubber Research Institute of India for the supports they have rendered during the preparation of the manuscript.

I am also grateful to Mr. V.B. Pillai, Scientist, NPOL, Cochin for arranging the DSC analysis.

I wish to extend my sincere thanks to Dr. Sanal, Scientist, Electron microscopy division, CMFRI, Cochin for the SEM analysis.

I am greatly indebted to my wife Elizabeth and our children Hanna and Nohin for their co-operation, tolerance and encouragement throughout the work. I am also grateful to my parents in law for their support and co-operation.

JACOB K. VARKEY
