

LIST OF FIGURES

Figure No.	Page
1a. Locations of the Events and Recording Stations	18
1b. A Seismogram from Station KEV (Plate)	20
2. Azimuthal Locations of Stations from Event and P Wave Traces for Profiles -	
a. Southern Nevada Nuclear Explosion	21
b. Eastern Kazakh Nuclear Explosion	22
c. Western Kazakh Nuclear Explosion	23
d. Novaya Zemlya Nuclear Explosion	24
e. North Atlantic Ridge Earthquake	25
f. Fiji Islands Earthquake	26
3. $p - \Delta$ plot with a 9th Degree Trend Line for -	
a. Southern Nevada & Eastern Kazakh	31
b. Western Kazakh & Novaya Zemlya	32
c. N. Atlantic Ridge, Fiji & Tonga Is.	33
4. Effect of Variation of Velocity on $p - \Delta$ curves	34
5. Piecewise Straight Line Fit to $p - \Delta$ Data of -	
a. Southern Nevada & Eastern Kazakh Profiles	38
b. Western Kazakh & Novaya Zemlya Profiles	39
c. N. Atlantic Ridge, Fiji & Tonga Profiles	40
6. a. & b. Reduced Travel Time Curves for Eastern Kazakh Profile	44 & 45
7. Smoothed $p - \Delta$ Segments of Profiles -	
a. Southern Nevada & Eastern Kazakh	60
b. Western Kazakh & Novaya Zemlya	61
c. N. Atlantic Ridge, Fiji & Tonga Is.	62

Figure No.	Page
8. Spectral Effect of Wrong Alignment of Digitiser	63
9. Some Fourier Transformed P Wave Spectra for-	
a. Southern Nevada Nuclear Explosion Profile	70
b. Eastern Kazakh " " "	71
c. Western Kazakh " " "	72
d. Novaya Zemlya " " "	73
e. N. Atlantic Ridge Earthquake "	74
f. Fiji Islands " "	75
10. Ray Diagram and Travel Time Curve	82
11. Herglotz Transformation of Ray & Travel Time Curve	82
12. Stripping of Earth & Reduction of Parameters	86
13. P Wave Velocity Distribution (Computed & Average),	
a. for Nuclear Explosion Profiles	90
b. for Earthquake Profiles	91
14. P Wave Data and Reduced Spectral Ratios for -	
a. Southern Nevada Profile	111
b. Eastern Kazakh Profile	112
c. Western Kazakh Profile	113
d. Novaya Zemlya Profile	114
e. N. Atlantic Ridge Profile	115
f. Fiji Islands Profile	116
15. Q - Depth Distribution for profiles -	
a. Southern Nevada	135
b. Eastern Kazakh	136
c. Western Kazakh	137
d. Novaya Zemlya	138
e. N. Atlantic Ridge	139
f. Fiji Islands	140
15g. Average Q - Depth Distribution at 100 Km Interval	141

Figure No.		Page
16.	Smoothed $p - \Delta$ Curves for Some Profiles Compared With Herrin's (1968) Surface Focus Table	145
17.	Anomaly Levels of Different Profiles Compared With Findings of Other Workers	151
18.	P Wave Velocity Distribution With Depth Within 700 - 2700 Km, Compared With Herrin's (1968) & Hales et al. (1968) Distributions	174
19.	dv/dr plots for Some Profiles	176
