

ACKNOWLEDGEMENT

I take this privilege to express my deep sense of gratefulness to Prof. T.D.Goswami, Department of Physics and Dr.B.C.Goswami, Department of Botany of the Gauhati University for their constant inspiration and guidance throughout the period of investigation of the present work. But for their help, cooperation and comments in all respects till the preparation of the manuscript, it would have not been possible to complete the work.

I gratefully acknowledge the provisions of necessary laboratory and relevant facilities extended by the Department of Physics and Geology, Gauhati University.

I wish to express my deep sense of gratitude to Dr.R.H. Iyer, Dr.T.V.Ramchandran, BARC, Bombay, Prof.H.S. Virk, Dr.S.Singh, Guru Nanak Dev University, Amritsar, for the invaluable discussion and encouragement received during Fifth National Seminar on SSNTD, Calcutta (March 24 - 26, 1987) and Sixth National Seminar on SSNTD, Gauhati (March 16 - 18, 1989).

I also wish to thank Dr.D.S.Srivastava, R.E.C., Aligarh Muslim University for providing the standard glass.

I acknowledge with great appreciation the very generous assistances and suggestions given by my friends and co-workers, Dr.P.Das, Dr.K.A.Patgiri, Dr. A. Hanifa,

(ii)

Dr.K.Das, Dr.(Mrs) M.Barua, Mr.K.Goswami and Mr.P. Bhattacharyya in different stages of the work.

I express my gratitude to Mr.M.M.Lahkar, S.S.O., State Forensic Science Laboratory, Kahilipara, Gauhati for his help in taking the photographs of fission tracks.

I am also thankful to Dr.P.Sharma, Principal, Pandu College for his constant inspiration during the course of the work.

I thank Prof.(retd.) P.P.Wamenon, Ex. Head of the Department of Applied Botany and Biotechnology, Gauhati University and Mr.B.Pathak, Lecturer in Statistics, Pandu College for their valuable assistance in statistical analysis of data presented in this thesis.

Mr. G.Chakraborty has helped me in completing the responsible job of typing the manuscript. My sincere thanks are due to him.

I shall be failing in my duty if I do not express my gratitude and indebtedness to the Department of Science, Technology and Environment, Government of Assam for financial assistance to the project No. STE/135/86/48 "The study of trace elements" of which the present work forms a part.

(iii)

Last but not the least, I offer my sincerest acknowledgement to my wife Mrs.M.Choudhury, whose constant inspiration and co-operation really led me to the accomplishment of this work.
