ACKNOWLEDGEMENT

I wish to express my heartfelt thanks to Dr. R. Lekshmana Sarma, Principal, Vivekananda College, Agasteeswaram and Dr. RM. Krishnan, Scientist and Head, IMF Division, Central Electrochemical Research Institute, Karaikudi, for their valuable suggestions, encouragement and guidance during the course of the investigations.

I express my gratitude to Dr. M. Raghavan, Director, CECRI, Karaikudi, for permission to make use of the facilities of the Institute.

I wish to express my sincere gratitude to the Managing Committee, Vivekananda College, Agasteeswaram, for their continued encouragement towards my research pursuits.

My grateful thanks are due to Dr. G. N. K. Ramesh Bapu and Dr. V.S. Muralidharan, Scientists, CECRI, Karaikudi, for their encouragement and suggestions in regard to planning of experiments and help in the preparation of the thesis.

I thank Dr. G. Venkatachari and Dr. S. Muralidharan, Scientists, Corrosion Science and Engineering Division, CECRI, Karaikudi, for their help in regard to cyclic voltammetric and corrosion studies.

I express my thanks to scientists Dr. M. Selvaraj, Dr. M. Natesan, Dr. S. Sriveeraraghavan, Dr. D. Kankaraj, Dr. Sobha Jayakrishnan, Dr. Visalakshi Ravindran, Dr. S. Mohan and Dr. V. Raj, all from CECRI, Karaikudi, for their help during the course of the investigations.

I express my sincere thanks to Mrs. Meenakshi Eswaran, Stenographer, CECRI, Karaikudi and Mr. R. Sekar, Senior Technical Assistant, CECRI, Karaikudi, for their timely help during the course of the work.
I thank Mr. A. T. Muthukaruppan, Technician, CECRI, Karaikudi, for his help in polishing the panels for the investigations.

My thanks are due to the members of staff in the Glass Blowing, Photography, Drawing, Workshop, Instrumentation and other departments of CECRI, Karaikudi, for their whole-hearted co-operation.

I am very happy to express my heartfelt thanks to my family members, teachers and friends who have extended their moral and physical help in the course of the work.

My thanks are due to Miss. V. Janahi for efficient typing and compilation of the manuscript of the thesis within a short span of time.

M. CHANDRAN
