Acknowledgement

I sincerely express my immense sense of gratitude to my erudite and effervescent research guide and supervisor, Dr. S. Prabahar, Professor, Department of English, M. S. University. But for his infinite patience, invaluable guidance, meritorious scholarship and meticulous scrutiny, this thesis might not have acquired its present profile. The methodical and meticulous manner in which he piloted this academic exercise is to me a learning experience and a self-discovery.

I acknowledge with boundless sense of gratitude, the meticulous and painstaking effort taken by my esteemed fellow researchers – Prof. J. Ragu Antony and Dr. Felcia Gladys – in bringing this academic endeavour to its present configuration. I record my thanks to Dr. R. Jeya Sundara Raj, who has given me the needed support and has encouraged me beyond comfortable boundaries.

I place it on record my sincere thanks to the librarians of: The Adyar Library and Research Centre, Chennai, RMRL Chennai, Kannimara Library, Chennai, Madras University Library, Chennai, Department of English Library, LDC., Madurai, Tamilnadu Theological Seminary Library, Madurai and M S University, Tirunelveli.

My special thanks are due to my family and friends for their love and support that they have displayed during my research.
