To
The Controller of Examinations,
Gauhati University.

SIR,

I have great pleasure in forwarding the thesis entitled
"Studies on the Effect of Growth Regulators (Growth Retardants
and Preservers) on the Growth and Yield of Certain Economic
Crops Plants" submitted by Smt. Nilima Naishya, for the award
of Ph.D. Degree of Gauhati University. This thesis embodies
results of the experiments performed by Smt. Naishya herself,
which took her a period of nearly four years.

She undertook researches on the problem mentioned
above under my supervision and I am fully satisfied with
the results of her experiments, which are of great value in
the field of production physiology.

She had been a full time Research Scholar for the
purpose. All the necessary conditions laid down in the ordi-
nance, framed and passed by the Academic Council are satis-
fied to make her eligible for submission of Ph.D. degree
thesis. This thesis or a part of it was not submitted by her
for research degree under any University.

You will please arrange to get the thesis examined.

Yours faithfully,

( N. Das. )
Prof. & H.D., of the Dept. of
Agricultural Botany, G. U.
