

ACKNOWLEDGEMENT

From the depth of my heart, I thank Lord Almighty for his great love, care and showers of blessings to me all through my life.

I express my respectful and deep sense of gratitude to my beloved guide, Dr. C.K. Mahadevan (Reader in Physics, S.T. Hindu College, Nagercoil) for his valuable guidance, erudite suggestions, easy approach, lucid explanations, timely corrections, friendly nature and the keen interest in the completion of the present work. The lessons I have learnt from him are really worthwhile.

I am thankful to the Management, Principal, Head of the Physics Department of S.T. Hindu College, Nagercoil for extending the facilities to me to carry out the research work. I also thank all the faculty members of Physics Department for their constant support and encouragement.

I express my heartfelt thanks to Dr. G. Bhagavannarayana, Head, Materials Characterization Division and Dr. N. Vijayan, Scientist for their constant support and the help towards the characterization work. I thank Dr. K. Ramamurthi, Professor of Physics, Bharathidasan University, Tiruchirappalli for his support.

I extend my heartfelt thanks to my beloved friend Mr. R. Sakthi Sudar Saravanan, Physics Research Centre, S.T. Hindu College for his constant support and encouragement.

I thank all the members of the Physics Research Centre, S.T. Hindu College and in particular Mrs. M. Priya and Mrs. J.V. Libija for their support. I also thank Dr. T. H. Freeda and Dr. S. Perumal, Readers in Physics of S.T. Hindu College, Dr. K. Jayakumari, Reader in Physics of Sree Ayyappa College for Women, Dr. Thresiamma Chacko, Reader in Physics of Holy Cross College, Dr. G. Selvarajan, Lecturer in Physics of Sethupathy Government Arts College, Dr. N. Neelakanta Pillai, Reader in Physics of Aringar Anna College and Mr. S.L. Rayar, Head of the Physics Department of St. Jude's College for their comments and suggestions based on their wide experience in teaching and research which resulted in a substantial improvement in the research work.

I thank the DST for the award of JRF and SRF during my research period.

With heartfelt gratitude and sincere thanks, I express my deep sense of gratitude to my beloved parents Mr. S. Narayanan and Mrs. K. Vijayamma for their constant support and guidance, which was my first step towards the research work. I express my thanks to my wife Mrs. Aiswarya and all my beloved and caring family members for their support and cooperation during the period of this research work.

Finally, I express my gratitude to all who have encouraged and supported me in the completion of the research work and thesis preparation.
