Dated :

1995

* This is to certify that Swati Mitra has completed the thesis entitled 'INDUSTRIAL POTENTIALITY OF BIRBHUM'. A Study in Industrial Geography under my guidance and that she has fulfilled all the conditions of the rules and regulations relating to the nature and period of doctoral research in Burdwan University. It is also certified that the thesis is original and the formulations are based on her own findings from direct field investigations and other information from published and unpublished sources. Throughout the course of this study Swati Mitra has maintained close academic connection with me and the thesis has been completed under my supervision. This thesis has not been submitted to any other institutions previously either by Swati Mitra or by anyone else and is now submitted in partial fulfilment of the Ph.D. Degree in Arts/Science (Geography) of the University of Burdwan.

(Professor M.R. CHaudhuri)
