

Acknowledgements

The present author humbly expresses his deep and sincere regards to Dr. G.M.Sinha, Reader in Zoology, Burdwan University for his guidance, help and encouragement to overcome the hard task set before.

I must convey my ever thanks to Prof. A. Das, Department of Chemistry, Burdwan University for his spontaneous help offered every time.

The author is also thankful to Dr. S.Mukhopadhyay (Lecturer, Saldiha College, Bankura) and Dr. D.K. Datta (Lecturer, R.K.M.V.C. College, 24-Parganas : North) for their helps in the field of work.

I would mention my heartist reverence to the past and present heads of the Departments of Zoology and Chemistry of Burdwan University for their kind permission to use the laboratories to conduct the research work.

I also take the opportunity to tender my gratitude to I.C.A.R. (New Delhi), the University of Burdwan and the C.S.I.R. (New Delhi) for funding the entire project without which, it could not have been materialised.

The benevolents who have not been mentioned above also deserve due thanks and indebtedness from the author for their silent and sincere co-operation to complete the task.
