CONTENTS OF TABLES

13. 4.13

14. 4.14

15. 4.15

Number of employees committing misconduct, Moving average of the total, employee strength of the organisations and percentage of employees committing misconduct in Acc Babcock Limited during the year 1980-1994.

16. 4.16

Number of employees committing misconduct, Moving average of the total, employee strength of the organisations and percentage of employees committing misconduct in Alloy Steel Plant during the year 1980-1994.

17. 4.17

Number of employees committing misconduct, Moving average of the total, employee strength of the organisations and percentage of employees committing misconduct in The Durgapur Projects Limited during the year 1980-1994.

18. 4.18

Number of employees committing misconduct, moving average of the total, employee strength of the organisations and percentage of employees committing misconduct in Hindustan Cables Limited during the year 1980-1994.

19. 4.19

Number of employees committing misconduct, Moving average of the total, employee
CONTENTS OF TABLES

strength of the organisations and percentage of employees committing misconduct in Mining and Allied Machinery Corporation during the year 1980-1994.

20. 4.20 Number of employees committing misconduct, Moving average of the total, employee strength of the organisations and percentage of employees committing misconduct in Phillips Carbon Black Limited during the year 1980-1994.

23. 5.02 Frequency under the Age groups of employees committing misconduct and corresponding percentage in Ace Babcock Limited, during the year 1980-1994.

24. 5.03 Frequency under the Age groups of employees committing misconduct and corresponding percentage in Alloy Steel Plant, during the year 1980-1994.

25. 5.04 Frequency under the Age groups of employees committing misconduct and corresponding percentage in The Durgapur Projects Limited, during the year 1980-1994.

26. 5.05 Frequency under the Age groups of employees committing misconduct and corresponding percentage in Hindustan Cables Limited, during the year 1980-1994.

percentage in Mining and Allied Machinery Corporation, during the year 1980-1994.

28. 5.07 Frequency under the Age groups of employees committing misconduct and corresponding percentage in Phillips Carbon Black Limited, during the year 1980-1994.

29. 5.08 Total employees, frequency of employees of various Age groups, corresponding percentage of employees committing misconduct in Acc Babcock Limited, Alloy Steel Plant, The Durgapur Projects Limited, Hindustan Cables Limited, Mining and Allied Machinery Corporation and Phillips Carbon Black Limited.

30. 5.09 Frequency under the designation group of employees committing misconduct and corresponding percentage in Acc Babcock Limited, during the year 1980-1994.

31. 5.10 Frequency under the designation group of employees committing misconduct and corresponding percentage in Alloy Steel Plant, during the year 1980-1994.

32. 5.11 Frequency under the designation group of employees committing misconduct and corresponding percentage in The Durgapur Projects Limited, during the year 1980-1994.

33. 5.12 Frequency under the designation group of employees committing misconduct and corresponding percentage in Hindustan Cables Limited, during the year 1980-1994.

34. 5.13 Frequency under the designation group of employees committing misconduct and corresponding percentage in Mining and Allied Machinery Corporation, during the year 1980-1994.

35. 5.14 Frequency under the designation group of employees committing misconduct and corresponding percentage in Phillips Carbon Black Limited, during the year 1980-1994.
CONTENTS OF TABLES

36. 5.15 Comparative analysis of the frequency under different designation groups of employees committing misconduct and corresponding percentage in Ace Babcock Limited, Alloy Steel Plant, The Durgapur Projects Limited, Hindustan Cables Limited, Mining and Allied Machinery Corporation and Phillips Carbon Black Limited.

37. 5.16 Frequency under the length of service group of employees committing misconduct and corresponding percentage in Ace Babcock Limited, during the year 1980-1994.

38. 5.17 Frequency under the length of service group of employees committing misconduct and corresponding percentage in Alloy Steel Plant, during the year 1980-1994.

39. 5.18 Frequency under the length of service group of employees committing misconduct and corresponding percentage in The Durgapur Projects Limited, during the year 1980-1994.

40. 5.19 Frequency under the length of service group of employees committing misconduct and corresponding percentage in Hindustan Cables Limited, during the year 1980-1994.

41. 5.20 Frequency under the length of service group of employees committing misconduct and corresponding percentage in Mining and Allied Machinery Corporation, during the year 1980-1994.

42. 5.21 Frequency under the length of service group of employees committing misconduct and corresponding percentage in Phillips Carbon Black Limited, during the year 1980-1994.

43. 5.22 Comparative analysis of the frequency under different length of service groups of employees committing misconduct and corresponding percentage in Ace Babcock Limited, Alloy Steel Plant, The Durgapur Projects Limited, Hindustan Cables Limited, Mining and Allied Machinery Corporation
and Phillips Carbon Black Limited.

44. 5.23 Frequency under the qualification group of employees committing misconduct and corresponding percentage in Ace Babcock Limited, during the year 1980-1994.

45. 5.24 Frequency under the qualification group of employees committing misconduct and corresponding percentage in Alloy Steel Plant, during the year 1980-1994.

46. 5.25 Frequency under the qualification group of employees committing misconduct and corresponding percentage in The Durgapur Projects Limited, during the year 1980-1994.

47. 5.26 Frequency under the qualification group of employees committing misconduct and corresponding percentage in Hindustan Cables Limited, during the year 1980-1994.

48. 5.27 Frequency under the qualification group of employees committing misconduct and corresponding percentage in Mining and Allied Machinery Corporation, during the year 1980-1994.

49. 5.28 Frequency under the qualification group of employees committing misconduct and corresponding percentage in Phillips Carbon Black Limited, during the year 1980-1994.

50. 5.29 Comparative analysis of the frequency under different qualification groups of employees committing misconduct and corresponding percentage in Ace Babcock Limited, Alloy Steel Plant, The Durgapur Projects Limited, Hindustan Cables Limited, Mining and Allied Machinery Corporation and Phillips Carbon Black Limited.

51. 6.01 The analysis of the responses received from the respondents to the question stated in appendix II.
