# CONTENTS

## Chapter 1 : Introduction

1.1 Basic Objective of the Research work ........................................ 3  
1.2 A few key concepts .................................................................. 3  
1.3 Consumer Products .................................................................. 5  
1.4 Types of Retail Trade Organization .......................................... 9  
1.5 Customer Service ..................................................................... 11  
1.6 Urbanisation and Rural-Urban Differences .............................. 13  
1.7 References ................................................................................. 14  

## Chapter 2 : A Survey of the Literature

2.1 Financial Management ......................................................... 16  
  2.1.1 Financial Records .......................................................... 18  
  2.1.2 Financial Statement ....................................................... 19  
2.2 Human Resources Management in Retail Trade .................. 21  
  2.2.1 Organization Structure .................................................. 22  
  2.2.2 Staffing ......................................................................... 23  
  2.2.3 Managing Diversity ....................................................... 23  
2.3 Retail Stores ............................................................................. 24  
  2.3.1 Retail Store Location ..................................................... 26  
2.4 Retail Trade area site and site selection ................................. 27  
  2.4.1 Analog Approach .......................................................... 27  
  2.4.2 Multiple Regression Analysis ........................................ 28  
  2.4.3 Reilly’s law of Retail Gravitation .................................... 28  
  2.4.4 Coverse’s Breaking Point Model ..................................... 29  
  2.4.5 Christaller’s Central place Theory ................................... 29  
  2.4.6 Huff’s Model ............................................................... 30  
2.5 Merchandise management ..................................................... 31  
  2.5.1 Assortment planning ..................................................... 31  
  2.5.2 Buying System ............................................................ 32  
2.6 Retailer and vendor relationships ........................................... 34  
2.7 Retail Pricing Decision .......................................................... 37
2.7.1 Economic Concept 38
2.7.2 Psychological concept 38
2.8 Markdown Strategies 38
2.9 Price Calculation 38
2.10 Price Strategies 39
2.11 Theories of the evolution of Retail trade 40
  2.11.1 The wheel of retailing 40
  2.11.2 The Accordian Theory 41
  2.11.3 Dialectic Process 42
  2.11.4 Natural Selection 43
2.12 References 43

Chapter 3: Environment of Retail Trade 47
3.1 The Social Responsibility environment 47
3.2 Consumerism 50
3.3 Economical Environment 52
3.4 Ethical Environment 55
3.5 Legal Environment 55
3.6 Technological Environment 56
3.7 Competitive environment and its effect on retail trade 57
3.8 References 58

Chapter 4: Consumer Market in India 60
4.1 Geographical Descriptions 60
  4.1.1 Region 61
  4.1.2 Climate 61
4.2 The States and the Union territories 61
4.3 Population (Rural – Urban distribution) 64
4.4 Migration 66
4.5 Age Distribution 67
4.6 Gender 68
4.7 Marital Status 68
4.8 Educational Composition 70
  4.8.1 Literacy Levels 71
4.9 Income 71
Chapter 5: Methodology of The Study

5.1 Location and demographic characteristics of the samples areas, West Bengal
5.2 Statistics techniques used in the study
5.3 Design of the field study
   5.3.1 Selection of sample
5.4 Research Population: Definition and Criteria
   5.4.1 Hypotheses
5.5 Basic issues and their ramifications
5.6 References

Chapter 6: Data Collection and Interpretation

6.1 Background and demographic characteristics of Retailers and the characteristics of their enterprises
   6.1.1 Background and demographic factors
   6.1.2 Education
   6.1.3 Language spoken
6.2 Family background of the sample (Occupational Transformation)
   6.2.1 Family Milieu
6.3 The characteristics of the retail enterprises
6.4 Retailers' attitude: Perceived organisational environment
   6.4.1 Attitudes Pertaining to Customer related issues
   6.4.2 Attitudes Pertaining to employee Assistant related issues
   6.4.3 Attitudes Pertaining to work and work involvement related issues
