ACKNOWLEDGEMENT

It is my proud privilege to acknowledge the help rendered to me by various sources during the present work.

First and foremost I acknowledge my profound and everlasting gratitude to my esteemed guide Dr. Asit K. Chakraborti, Lecturer, Department of Chemistry, The University of Burdwan, West Bengal (currently Assistant Professor, Department of Medicinal Chemistry, National Institute of Pharmaceutical Education and Research, S. A. S. Nagar, 160 062, Punjab) for his persistent interest, vital encouragement, vigilant supervision and critical evaluation which made the present work possible.

I am grateful to all the teaching faculty members, specially Prof. G. S. De, Prof. S. Thakur, Prof. A. K. Das, Dr. D. Mukherjee, Dr. P. Ghosal, Dr. S. Laskar, Dr. B. K. Ghosh and Dr. C. R. Sinha for their encouragement and timely help during the progress of the work.

Thanks are due to all the non-teaching members of the Department of Chemistry, The University of Burdwan for being so nice and helpful to me.

Further thanks are lovingly given to all my fellow research scholars and friends, especially Mrs. Susmita Roy (nee Bhattacharya), Mrs. Anindita Basak (nee Nandi), Miss. Sutapa Sinha, Miss Kakali Datta, Mr. Debasish Das and Mr. Tarun K. Misra of this department, Mr. Biswajit Sannigrahi (NCL, Pune) and Mr. Manoj K. Mukherjee (IIT, Kanpur).

I wish to thank Mr. Asoke Aggarwal, Mr. Vikas Grover, Mr. Sanjeev Sharma, Mr. Anurag Sood, Mr. Pramod Kumar, Miss. Lalima Sharma and Mrs. Kamaljit Kaur for their help during my frequent visit to NIPER.

Thanks seems a small word for the feelings which I want to express to my beloved parents and my brother and sister and other family members without whose love, support and affection I could not have reached this point of my career.

I express my sincere gratefulness to Dr. C. L. Kaul, Director, NIPER for his kind approval for hostel accommodation at NIPER during the preparation of this manuscript.

Finally I am thankful to The University of Burdwan for providing the financial assistance and all the necessary facilities to carry out this work.
