ACKNOWLEDGEMENT

It gives me an immense pleasure to express my deep sense of gratitude to my revered research Supervisor, Dr. Tridib Tripathi, Sr. Lecturer, Department of Library and Information Science, The University of Burdwan, for his able guidance, constant encouragement constructive criticism, stimulating discussions and keen interest evinced throughout the course of the present study.

It is also my genuine desire to express my sincere gratefulness to Prof. A.H. Mondal (Retired), Department of Law, The University of Burdwan for his indefatigable interest, valuable guidance and constant inspiration throughout the tenure of this work. I am really fortunate to associate myself with such an able and experienced teacher. The help and advice rendered by him are mainly responsible for his successful completion of the present work.

I express my sincere thanks to the other faculty members of the Department of Library and Information Science, The University of Burdwan for their constant help and cooperation.

My sincere thanks to Prof. B. Chakravorti (Retired), Department of Library and Information Science, University of Calcutta for his professional encouragement and constant help for completion of this thesis.

My sincere thanks are also due to the authorities of the University of Burdwan, who are kind enough to allow me to do my research work in the University of Burdwan on Part time basis. I also thank the authorities of the University of Burdwan for permitting me to register for Ph.D. in that University.

I express thanks to the Deputy Librarian, Mr. A.M. Midda, The University of Burdwan for their help in collecting information relevant to my present study.

I offer my sincere thanks to Sri Partha Sarathi Ghosh, Sr. Stenographer who has typed the manuscript within a very short period with the help of computer neatly and elegantly.

I am highly indebted to my beloved with Mrs. Khairunnessa Begam, son Sk Arif and daughter Sania Yashmin for their kind cooperation, affectionate encouragement and moral support which made this work possible.
