Acknowledgement

I have always enjoyed the privilege and pleasure to pursue this research work under the inspiring guidance of Dr. B.N. Choudhury, Professor of Law, (presently retired), The University of Burdwan and after his retirement under the joint supervision of Dr. Choudhury and Dr. S. S. Singh, Professor of Law, The University of Burdwan, No word of acknowledgment and gratitude is sufficient to express my indebtedness to them.

I wish to place on record my appreciation and gratitude to all who spared their valuable time to reply my lengthy questionnaire and also to those officials of the Industries of Asansol-Durgapur region for their Co-operation in providing valuable data for this research. I acknowledge the debt to all these officials who extended their cordial hands on condition of anonymity.

Any researcher in law can feel proud to receive responses/views from Sh. R. N. Mishra, Ex-Chief Justice of India and Ex-Chairman, National Human Rights Commission, Sh. Soli J. Sorabjee, Eminent Lawyer and presently Attorney General of India, Sh. P.P.Jinwala, Eminent Labour Law expert. Their responses/views have enriched the research. Let me preserve my gratitude and regards for them.
How can I reciprocate to all those friends, colleagues, members of my family especially my wife Shyamasree who encouraged me in this study.

This is an appropriate occasion to remind myself the sincerity of my brother Bankim (Dr. Bankim Chandra Ray, Sr. Lecturer, Deptt. of Metallurgy, R. E. College, Rourkella) to arrange precious materials for this study, during his busy visit in U.K. It is still vivid in my memory, my daughter Avipsa's birth in the year when I conceived this thesis. She was so patient and inspiring during all these years.
