

Acknowledgements

I wish to express my sincere gratitude to Dr. M. Sanjappa, Director, Botanical Survey of India, Kolkata for granting permission to carry out my research work on the topic entitled 'Eco-Taxonomy of the genus *Dendrobium* Sw. (Orchidaceae) of North East India', as a dissertation for the Doctor of Philosophy (Ph. D) degree under Gauhati University, Guwahati, Assam. This work was carried out under the supervision of Prof. (Dr.) S. K. Sarma, Department of Botany, Gauhati University, Guwahati and Dr. T. M. Hynniewta, (F) Joint Director, Botanical Survey of India, Eastern Circle, Shillong and without whose valuable guidance and expertise suggestion the completion of the dissertation would not have been possible.

I am indebted to the PCCF's and Forest officials of Arunachal Pradesh, Assam, Meghalaya and Sikkim; to Dr. A. N. Rao, Scientist, Tipi Orchid Centre, Arunachal Pradesh; Mr. S. Lucksom, Additional Director, Forest Department Sikkim; Dr. I. C. Barua, Senior Scientist, Department of Agronomy, Assam Agriculture University, Jorhat for their help in various ways in achieving the target.

Thanks are also due to the officers and staff members of Botanical Survey of India, Eastern Circle, Shillong; to Dr. (Mrs.) S. Phukan, Deputy Director & Head for providing facilities; to Dr. A. A. Mao, Scientist-'D'; Dr. B. K. Sinha, Scientist-'D'; Dr. N. Odyuo, Scientist-'B'; Shri R. Shanpru, Botanist; Shri S. L. Abbas, ex-Scientist-'C'; (L) D. P. Dam, Senior Scientific Assistant; Dr. (Mrs.) N. Dam, Senior Scientific Assistant; Shri B. K. Das, Senior Scientific Assistant; Shri N. N. Rabha, Botanical Assistant, Grade-I; Shri Manas Bhowmik, Botanical Assistant, Grade-II; Shri Rajib Gogoi, Botanical Assistant, Grade-II;

Shri Hemanta Kumar Das, Senior Library and information Assistant; Shri R. B. Thapa, Preservation Assistant, Grade-I; Shri Biswajit Kalita, Fieldman for their help and co-operation and also to my research colleagues Pranab Bujhar Barua, Shri. T. A. M. Jagadesh Ram, Smt. A. Pinokiyo, Smt. Samim Sofika Begum, Shri. C. M. Sabhapati, Shri Ritesh Kumar Choudhary for their lively discussion and kind help.

Last but not the least, my heartfelt loving memory and respect to my (L). Father Numal Chandra Deori, ex-Botanist, Botanical Survey of India, Eastern Circle, Shillong who had initiated this work on *Dendrobium* but unfortunately due to his sudden demise the work remained uncompleted; however, whatever his contributions were, they are so valuable and have been of enormous help inspiring me to complete the research work; to my (L). Mother Labanya Deori, for her motherly inspiration and blessings since my childhood to make me come out successful in achieving goal in life. Fortunately in spite of all these hurdles of life but for the heartiest support, care, encouragement and inspiration from my Husband Bidyot Joyti Sonowal, in-laws, Sisters, Brothers, Uncles, Friends etc., stimulated me more for the completion of the research work.
