Acknowledgements

First and foremost, I owe my deep dept of heartfelt gratitude to my teacher and research supervisor Prof. (Mrs.) M.C. S. Subha, Department of Chemistry, for giving me an opportunity to work under her guidance, for her support, and encouragement throughout my study and she has also guided my personal development and maturation as an independent, confident, and strong researcher, something I never could have learned from a book. I am extremely lucky to work with such a high profiled person. Her guidance was the next best thing to knowledge, which I will cherish throughout my life. She is truly a source of inspiration to pursue a research-oriented career.

I record my sincere thanks to Prof. Yong Ha Kim, Division of Advanced Chemical Engineering, Pukyong National University, Busan, South Korea who has permit me to complete my research work in his division. I am very much thankful to all the members of Chemical Engineering dept. for their kind help and encouragement during my period.

I gratefully acknowledge the encouragement and valuable suggestions by Dr. A.R.K. Sastry, Scientist, Organic Coatings and Polymers Division, IICT, Hyderabad.

I wish to express my sincere thanks to Prof. V. Suryanarayana Rao (Chairman, BOS), Prof. K. Hussain Reddy (Head of the Department), and all the staff of our department, S.K. University for their cooperation throughout the work.

I wish to record my deep and heartfelt gratitude to Prof. K. Chowdaji Rao, Dean, UGC affairs, Department of Polymer Science & Tech., S.K. University, Anantapur for his inspiring and stimulating discussions throughout the course of my research work.

I am thankful to the authorities of S.K. University, Anantapur for providing the necessary facilities to pursue my research.
I am deeply indebted to Dr. Venkata Reddy Gorla, Assist. Prof. Dept. of Chemistry, Srinivasa Ramunujan Institute of Technology (SRJT), Anantapur, for his valuable suggestions, motivation and constant support during the course of my study.

I also thank Dr. H. Ganapathi, Scientist, Japan, for his valuable suggestions, and motivation during the tenure of my research work in South Korea.

I am very grateful to my seniors Dr. K.S.V. Krishna Rao (Asst. Professor, Yogivemana University), Dr. K. Mallikarjuna Reddy (post doc, South Korea), Dr. A.B.V. Kiran Kumar (post doc, South Korea) and Dr. Bharathi for their continuous moral support during the tenure of my research work.

I owe my deep sense of gratitude and heartfelt thanks to my beloved parents, Smt. T. Sanjeevamma and Late Sri T. Sanjeevappa, who laid the foundation of my academic pursuit right from my childhood.

Finally, I thank and remember each and every person who helped me directly and indirectly in my career.
