ACKNOWLEDGEMENTS

I am extremely grateful to Dr. B. C. Kalita, Professor and Former Head of the Department of Mathematics, Gauhati University, Guwahati, Assam for his constant supervision and guidance with open minded encouragement throughout the course of investigation of this piece of work. His special attention towards the completion of this thesis is acknowledged with best regards.

I am also grateful to Mr. P. C. Lahkar, Head, Department of Mathematics, Arya Vidyapeeth College and Dr. D. Goswami (Retd. Head, Department of Mathematics, Arya Vidyapeeth College) for their constant encouragement towards the completion of the thesis.

I would like to acknowledge the family members of Dr. B. C. Kalita for their warm hospitality during various stages of this work.

I am thankful to the Principal and faculty members of the Department, Arya Vidyapeeth College, Guwahati for their constant encouragement towards the completion of the thesis.

I sincerely thank Dr. H. K. Sarmah, Reader, Department of Mathematics, Gauhati University, Guwahati, for help rendered to computation works of the thesis.

I am greatly indebted to my wife Mrs. Nandita Nath Das for her constant inspiration, cooperation, painstaking helps offered during the entire course of work. The eagerness of my two children Arunabh (Babu) and Eshani (Maina) towards the completion of the thesis is something beyond description.

Guwahati, the 27th November 2009

Ranjan Das
