I should like to acknowledge my indebtedness to Professor J. Medhi, Head of the Department of Statistics, Gauhati University, under whose guidance and supervision this work has been carried out, for the help and encouragement I received during the course of my investigations.

I wish to express my gratitude also to Professor A. K. Gayen, Head of the Department of Mathematics, Indian Institute of Technology, Kharagpur for his encouragement, to Dr. G. P. Bhattacharjee, Indian Institute of Technology, Kharagpur for his help in constructing the Tables V.1 - V.4, to Shri B. C. Deka, Reader in Mathematics, Gauhati University for some useful discussions, and to Shri B. C. Das for patiently typing the thesis.
