ACKNOWLEDGEMENT

The author wishes to express his deep sense of gratitude to Dr. H. M. Das, M.Sc., LL.M., Ph.D., Reader, Department of Agricultural Botany, Gauhati University, Guwahati, for sustained interest, constant guidance and helpful suggestion and constructive criticism throughout the course of this investigation and help in preparation of this manuscript.

The author is very much thankful to Dr. G. Komwar, M.Sc., Ph.D (London), Prof. and Head, Department of Agricultural Botany for his valuable guidance and rendering help in laboratory works carried out in the Department of Agricultural Botany.

The author is also thankful to Dr. P.P. Wamanan, M.Sc. (Agri.), D.Phil., Dr. R. Sharma, M.Sc., Ph.D., Dr. L. Goswami, M.Sc. (Agri.) Ph.D., and Dr. C.M. Sharma, M.Sc., D.Phil. of Department of Agricultural Botany for their constant encouragement during the course of this investigation.

The author is extremely thankful to Dr. D.N. Borthakur, Director, ICAR Research Complex for N.E.H. Regions, Shillong for granting permission to carry out the present research work, without which it would have been impossible to pursue this study.

His sincere thanks are due to Mr. D.C. Baruah, Mr. A.K. Khan and Mr. B.C. Thakuria for their valuable assistance in field experiments and to Mr. O.N. Tiwari for helping in laboratory analysis.
His sincere thanks are due to Mr. S. K. Biswas, Mr. D. Chetia and Mr. P. K. Deb, and his nephew Mr. Semiran Bordoloi and Sumayan Bordoloi for tracing graphs and drawing etc., and to Mr. Kishori Prasad, R.K. Das and Mr. Kaslender Prasad for their help in computer analysis of data.

His sincere thanks are also extended to Mrs. J.K. Pathai for typing the manuscript in time.

The author is very much thankful to Dr. V.A. Parthasarathy and many other friends and colleagues, namely, Dr. G.C. Munda, Dr. P. Basusahadhami, Dr. A.P. Singh and Dr. R.P. Awasthi whose encouragements were always available.

This research undertaking required sacrifice on the part of his wife, Mrs. Deepali, she not only looked after their two years old son ‘Aridam’, in his absence and during writing this manuscript but also offered continued encouragement at the hours of distress over the period this work has been done.
