ACKNOWLEDGEMENT

I take this opportunity to express my heartiest thanks and deep sense of gratitude to all my well-wishers and friends for their encouragement and valuable suggestions during the course of my Ph. D. work. Although, it is not possible to mention all of them in this limited space, I feel myself to be very fortunate to mention on record atleast some of them.

My deep indebtedness and immense sense of gratitude is due to my respected teacher Prof. P. J. Das, Department of Chemistry, Gauhati University, but for whose reassuring encouragement this work would possibly not have been started and without whose vivacious guidance, it would certainly not have been completed. My humble words are insufficient to carry the weight of my profound indebtedness and obeisance to him.

I express my profound and sincere gratitude to Prof. K. G. Bhattacharya, Head, Department of Chemistry, Gauhati University; I also extend my thanks to all the Faculty members of the Department of Chemistry, Gauhati University, for their encouragement and help.

I express my deep sense of gratitude to Dr. D. N. Pathak, Principal, Pragjyotish College, Guwahati, for his enthusiastic encouragement during the course of this investigation.

I also extend my particular debt of gratitude to Dr. D.J. Choudhury (Bhaityda) who rendered all help and for his invaluable suggestions and inspirations.

I would also like to acknowledge my thanks to my labmate Utpal, for helping me incessantly throughout the completion of my work.

I thankfully acknowledge the friendly co-operation, encouragement received from Dr. D.K. Das, Dr. P.K. Baruah, A.B. Chetri, Dr. A.P. Sikdar, D. Deb,
I am very much obliged to both my mother and my mother-in-law and other family members for their affectionate encouragement and moral support.

Last but not the least, I wish to put forth ineffable heartfelt thanks to my husband for his perpetual and continuous inspiration and understanding patience, without which it would not have been possible to complete this work.

Above all, I remember Almighty God for His benevolence and for synchronizing everything in perfect harmony.

(Satya Sandhya Das)
