ACKNOWLEDGEMENT

The experimental work presented in this thesis was carried out in the laboratory of Botany Department, Gauhati University.

It is my privilege to extend my profound gratefulness to my Respected Research Guide Dr. K.N. Bora, M.Sc., D. Phil, Professor and Head, (Retd.), Department of Botany, Gauhati University for his constant valuable suggestions and inspiring guidance throughout the entire period of my research work. I feel indebted to him for ever.

I express my gratitude to Dr. S.K. Barthakur M.Sc., Ph. D. Professor and Head, Dr. S.K. Sarma, M.Sc., Ph. D. Professor and former Head and Dr. S.P. Bora, M.Sc. Ph. D. Professor and Former Head, Department of Botany, Gauhati University for their permission to use and avail the facilities of laboratory and for extending continual encouragement during the course of the investigations. I am equally indebted to all the teachers of Botany Department, Gauhati University for their helpful suggestion and co-operation.

I express my gratitude to Dr. K. G. Bhattacharyya, M.Sc., Ph. D. (London) D.I.C., Director, Academic Staff College, Formerly Professor and Head, Department of Chemistry, Dean, Faculty of Science, Gauhati University for giving me opportunity to use his laboratory for chemical analysis of my research work.

I am thankful to Dr. J.C. Talukdar, M.A., Ph. D., Retd. Principal, Guwahati College, Guwahati, for his permission and various help in conducting the research work.

I am grateful to Dr. Satish Chandra, M.Sc., Ph.D. Principle Scientist, Plant Pathology, ICAR Research Complex of NEH region, Barapani, Meghalaya for his valuable suggestion and help during the course of the investigation.

I am also grateful to the authority of Meteorological Department of Borjhar Air-port for their help in collection of meteorological data.

I extend my thanks to Dr. R. Gogoi, Mr. Raju Agarwal, Mr. Eushah Abi, Mr. Hemen Deka, for their help and cooperation in various way towards the completion of the thesis.
I am specially indebted to Mrs. M. Goswami M.A., Head Department of Education, Guwahati College who extended her untiring help in the statistical analysis of the data.

I also feel indebted to my wife Smriti, my daughter Anannya and son Indranil for their constant encouragement and patient forbearance during the course of my work.

Finally, it is also a pleasant duty to thank Mr. Sanjib Dutta, Mr. Randhir Sinha for final type of the manuscript. My sincere thanks are also to all other friends and well wishers for their generous help during the course of my studies.
