ACKNOWLEDGEMENT

The author wishes to express his deep sense of gratitude to his guides Dr. U. C. Goswami, M.Sc., Ph.D., Reader in Zoology, Gauhati University, Guwahati and Dr. P. K. Sharma, Dip. Gen., (Edn), Ph. D. (Gau.), P.D. (Calif.), Retired Director of Post Graduate Studies, Assam Agricultural University, Khanapara, Guwahati for their keen interest and benevolent guidance throughout the entire period of the study.

The author extends his gratitude to Dr. G.K. Roy Choudhury, M.S., Ph. D., Dean, Faculty of Veterinary Science, Assam Agricultural University, Khanapara, for his valuable advice and help during the study.

Thanks are also due to Dr. B.N. Borgohain, M.V.Sc., F.R.C.V.S. (Swed.), Ph. D., Professor and Head, Department of Gynaecology, Obstetrics and Artificial Insemination, College of Veterinary Science, Assam Agricultural University, Khanapara, Guwahati along with the staff members of the Department for their advice, suggestion and encouragement during the study.

Sincere thanks are also due to the Sri P.C. Das, Sri R. Deb Roy Chief Conservators of Forest, Government of Assam, along with the other officials of the Department for their kind permission and help rendered time to time without which the investigation would not have been possible.
The use of Census reports from the Forest Department, Government of Assam and other data obtained from various books/journals, with their kind permission from the publishers and gratefully acknowledged. The help rendered by the police patrol party, journalists and other informers including the village Panchayat in locating the rhino movement are also acknowledged.

The author also extends his gratitude to Dr. B. M. Arora, M.V.Sc. Ph.D., Officer-in-Charge, Centre for Wildlife Conservation, Management and disease surveillance, Indian Veterinary Research Institute, Izatnagar and Dr. J.B. Sale, F.A.O. Expert, Wildlife Institute of India, Dehradun, U.P. for their suggestions and encouragement during the study.

Last, but not least, sincere thanks are due to Dr. R.K. Dutta, M.V.Sc., Student, Department of Gynaecology, Obstetrics and Artificial Insemination, College of Veterinary Science and Mr. Kumud Deka and Mr. A. Mazumdar for their untiring help during the preparation of the thesis.
