Acknowledgement

It gives me great pleasure to record my gratitude and indebtedness to my supervising teachers, Dr. R. Kothandaraman, Deputy Director (Retd.) Rubber Research Institute of India, Rubber Board, Kottayam and Dr. C. Kuruvilla Jacob, Deputy Director, Rubber Research Institute of India, Rubber Board, Kottayam for their guidance, support and encouragement during the entire period of this study and in the preparation of the thesis.

My obligations are also due to Dr. N.M. Mathew, Director of Research and K. R. Vijayakumar, Joint Director, Rubber Research Institute of India, Kottayam for providing necessary facilities for the successful implementation of this research work.

I wish to express my sincere thanks to Dr. Kochuthresiamma Joseph, Dr. Annakutty Joseph, Mr. P.M. Levi Joseph, Kum. Geetha Jose, Mr. K.G. Jayan, Mr. Thomson Abraham, Smt. P.B Jayasanthi and all other officers and staff of Mycology and Plant Pathology Division for their help and co-operation during the period of the study.

I would like to acknowledge the valuable help rendered by Sri. Ramesh. B. Nair, Assistant Director (Statistics) for the Statistical analysis of the data.

My sincere thanks are also due to Mrs. Lissa Joseph, Mrs. Suma Varkey and Mr. Anish for the help extended to me in scanning photographs.

This research work would not have been completed without the wholehearted support given to me by my husband, Shri V.P. Sasidharan, Assistant Registrar, Mahatma Gandhi University, Kottayam and may I express my deep felt gratitude to him. My kids, Saloni, Syam and Sarath deserve special mention for their involvement and support during the period of this work.

Finally, I would like to express my profound gratitude to God, Almighty without whose grace this work would not have been materialized.
